Income Ranges Associated with 2019 Poverty Guidelines ...

The poverty threshold, poverty limit or poverty line is the minimum level of income deemed

adequate in a particular country. Determining the poverty line is usually done by finding the total cost of all the essential resources that an average human adult consumes in one year. The largest of these expenses is typically the rent required to live in an apartment, so historically, economists have paid particular attention to the real estate market and housing prices as a strong poverty line affector
