### How to use your Surface Pen

Check the battery level of your pen. If you've paired your pen you can check this in your settings. Go to Start > Settings > Devices > Bluetooth & other devices , then find your pen to see the battery level. If the battery is low or doesn't have power, you may need to change or charge your battery. For more info, go to Change Surface Pen batteries.

Use the Surface Pen as remote for  
PowerPoint - Thomas Maurer

My tip broke off in the pen, and now my \$100 pen is useless because i can't get the tip out and can't put a new one in. The surface support team was no help at all, because the website doesn't have a page for accessory support, and the people on the phone didn't understand that i was calling about the pen and not my computer.
