"A high octane thrill ride!" - San Francisco Chronicle on Paranoia
Joseph Finder's New York Times bestseller Paranoia was hailed by critics as "jet-propelled," the "Page Turner of the Year," and "the archetype of the thriller in its contemporary form." Now Finder returns with Company Man - a heart-stopping thriller about ambition, betrayal, and the price of secrets. Nick Conover is the CEO of a major corporation, a local boy made good, and once the most admired man in a company town. But that was before the layoffs. When a faceless stalker menaces his family, Nick, a single father of two since the recent death of his wife, finds that the gated community they live in is no protection at all. He decides to take action, a tragedy ensues - and immediately his life spirals out of control. At work, Nick begins to uncover a conspiracy against him, involving some of his closest colleagues. He doesn't know who he can trust - including the brilliant, troubled new woman in his life. Meanwhile, his actions are being probed by a homicide detective named Audrey Rhimes, a relentless investigator with a strong sense of morality - and her own, very

personal reason for pursuing Nick Conover. With everything he cares about in the balance, Nick discovers strengths he never knew he had. His enemies don't realize how hard he'll fight to save his company. And nobody knows how far he'll go to protect his family. Mesmerizing and psychologically astute, Company Man is Joseph Finder's most compelling and original novel yet.

A Boston music journalist-turned-corporate writer investigates the suspicious death of a friend from her punk past in this noir mystery. The Boston club scene may be home to a cast of outsiders and misfits, but it's where Tara Winton belongs—the world she's been part of for the past twenty years. Now, one of the old gang is dead, having fallen down the basement stairs at his home. With her journalist's instincts, Tara senses there's something not quite right about Frank's supposedly accidental death. When she asks questions, she begins to uncover some disturbing truths about the club scene in its heyday. Beneath the heady, sexually charged atmosphere lurked something darker. Twenty years ago, there was another death. Could there be a connection? Is there a killer still at large...and could Tara herself be at risk? "[A] a fascinating reminiscence of sex, drugs, and rock and roll."—Kirkus Reviews "Simon writes with authority and affection about a lost world. Highly recommended"—Catriona McPherson, award-winning author of Strangers at the Gate "World Enough, is steeped in the 1980s Boston rock scene, with its sticky-floored clubs, radio stations dusted in coke, stars and hangers-on, seedy barbacs, and all the attendant sin and debauch that emerges after midnight when you can still hear the show ringing in your ears."—Boston Globe "Simon's dark story shimmers with brilliance—and stands as her finest."—Richmond Times-Dispatch

New York Times bestselling author Joseph Finder delivers an exhilarating and timely thriller exploring how even the most powerful among us can be brought down by a carefully crafted lie and how the secrets we keep can never truly stay buried. The chief justice of the Supreme Court is about to be defamed, his career destroyed, by a powerful gossip website that specializes in dirt on celebs and politicians. Their top reporter has written an exposé claiming that he had liaisons with an escort, a young woman prepared to tell the world her salacious tale. But the chief justice is not without allies and his greatest supporter is determined to stop the story in its tracks. Nick Heller is a private spy—an intelligence operative based in Boston, hired by lawyers, politicians, and even foreign governments. A high-powered investigator with a penchant for doing things his own way, he's called to Washington, DC, to help out in this delicate, potentially explosive situation. Nick has just forty-eight hours to disprove the story about the chief justice. But when the call girl is found murdered, the case takes a dangerous turn, and Nick resolves to find the mastermind behind the conspiracy before anyone else falls victim to the maelstrom of political scandal and ruined reputations predicated upon one long-buried secret.

Extraordinary Powers Little, Brown

In New York Times bestselling author Joseph Finder's electrifying new thriller, private investigator Nick Heller infiltrates a powerful wealthy family hiding something sinister. Nick Heller is at the top of his game when he receives some devastating news: his old army buddy Sean has died of an overdose. Sean, who once saved Nick's life, got addicted to opioids after returning home wounded from war. Then at Sean's funeral, a stranger approaches Nick with a job, and maybe also a way for Nick to hold someone accountable. The woman is the daughter of a pharmaceutical kingpin worth billions. Now she wants to become a whistleblower, exposing her father and his company for burying evidence that its biggest money-maker was dangerously addictive. It was a lie that killed hundreds of thousands of people, including Sean. All Nick has to do is find the document that proves the family knew the drug's dangers. But Nick soon realizes that the sins of the patriarch are just the beginning. Beneath the surface are barely concealed cabals and conspiracies: a twisting story of family intrigue and lethal corporate machinations. In a deadly game of chess that pits Nick against a family dynasty, against brothers and sisters with schemes of their own, Nick learns how far his enemy is willing to go to protect its name and its wealth.

Henry Murphy's parents never told him he was from another realm. They couldn't, because they have become as unaware as Henry. Everything was forgotten—memories siphoned away by the dark force that stalked them. For the last seventeen years, Henry has been living a lie. All those years of hiding have been compromised. Henry's parents fled as refugees after stealing the location of the furnace—a source of power that would have allowed the Nekura uncontested rule over all life. But with their memories silenced, the Nekura have closed in on them unnoticed. The first warning was the screaming girl.
