1. Congress has the sole power to raise and support an army and navy. 2. Congress makes rules for governing the nation's military and can organize, arm, and call out the National Guard. 3. Only Congress can declare war. 4. Congress can issue letters of marque and reprisal.

How are the expressed or enumerated powers of Congress ...

The reasoning here is very simple. All members of Congress swear an oath to protect and defend the Constitution,

which establishes a republican form of government. The whole point of a republic is that contests for power are conducted through a framework of rules and democratic elections, where all parties agree to respect the result whether they lose or win.

Congressional Powers:
Overview
Powers of the United States
Congress are implemented by
the United States
Constitution, defined by
rulings of the Supreme Court,
and by its own efforts and by
other factors such as history
and custom. It is the chief
legislative body of the United
States. Some powers are
explicitly defined by the
Constitution and are called
enumerated powers; others
have been assumed to exist
and are called ...
