Learn how to write about literature the convenient, affordable way!

**COMPACT LITERATURE: READING, REACTING, WRITING, 9E** helps you succeed in class and make literature a part of your life. Combining a broad selection of literature with time-proven writing instruction, this reader-friendly text walks you step-by-step through the entire research and writing process, helping you learn to craft literary analyses and arguments. Demonstrating that writing about

literature is a process of discovery, examination, and debate, the text includes a comprehensive guide to writing about literature with full coverage of critical thinking and argument. Sampler chapters on fiction, poetry, and drama involve you in the variety and diversity of literature through brief, accessible works that showcase representative selections from four popular contemporary literary subgenres. This edition has been updated to reflect guidelines from the 2016 MLA HANDBOOK, Eighth Edition.

*Compact Literature: Reading, Reacting, Writing (with 2021 MLA Update Card)* Bedford/St. Martin's

This ebook has been updated to provide you with the latest guidance on documenting sources in MLA style and follows the guidelines set forth in the MLA Handbook, 9th edition (April 2021). *Patterns for College Writing* provides instruction, visual texts, diverse essays, and student writing examples to help you develop your writing skills using rhetorical patterns like narration, description, argumentation, and more.

***Practical Argument: Short Edition*** Macmillan

This ebook has been updated to provide you with the latest guidance on documenting sources in MLA style and follows the guidelines set forth in the

MLA Handbook, 9th edition (April 2021). More than ever, successful argumentation is a major part of academic success—and has plenty of real-world application. But students don't benefit when they are bogged down with technical jargon and abstraction. That's where *Practical Argument* comes in. Bestselling authors Laurie Kirszner and Stephen Mandell make argumentative writing accessible with a scaffolded, step-by-step approach to convey what students need to know about argument, in understandable language. The Fourth Edition includes an even more contemporary and diverse array of readings, as well as new coverage of the kinds of visual arguments students are likely to encounter in their everyday lives.

***The Pocket Handbook for Psychology*** Wadsworth Publishing Company Built around compelling readings and topics that students care deeply about, *Intersections* offers flexible academic reading and writing instruction that supports students without overwhelming them. *Intersections* offers eight chapters of timely readings—forty-eight in total-- with themes like Sports in American Society, Immigration, and Language and Identity, that keep students interested and spark ideas for their writing. Carefully structured reading and writing questions and discussion prompts before, during, and after the readings guide students as they move from comprehension toward critical thinking and inquiry. These core thematic reading chapters work in tandem with innovative modular Toolkits on Reading and Writing that cover key skills such as note-taking, summarizing, peer review, MLA documentation, grammar, and much more.

Macmillan Higher Education

Focus on Reading and Writing: Essays provides thorough, integrated instruction on reading and writing essays and includes many effective features to help students make the connection between the reading and writing processes, including TEST--Kirszner and Mandell's simple and effective reading and writing tool designed to help students gauge their progress. Kirszner and Mandell believe that students learn best when they try their hand at a new concept first with their own work. That's why they designed the Focus on Reading and Writing strand throughout each chapter. The strand first prompts students to read and write, then learn essential concepts, and ultimately apply those concepts while re-reading and revising. With a complete grammar guide, supplementary online grammar practice through LaunchPad Solo for Readers and Writers, and 23 professional reading selections, this comprehensive text gets students reading, writing, and thinking critically in preparation for academic, career, and life success. The Second Edition strengthens and further integrates reading coverage throughout, helping improve students' comprehension and ability to think critically as they read. An updated TEST feature now applies equally to understanding and analyzing readings as well as developing, drafting, and revising essays, a new annotated model has been added in Chapter 1, and new information has been added on identifying and formulating implied main

ideas.

Grounded in the belief that reading and writing occurs in context, *READING OUR WORLD, 2E*, helps improve critical reading and writing skills by illustrating the value of contextual awareness. This full-color thematic reader teaches writers to employ audience-centered writing strategies as they explore ongoing conversations about cultural, academic, political, and personal ideologies. A fully integrated library contains more than 300 traditional, image, audio, and video "texts" that teach writers how to recognize, assess, and manage the rhetorical situations of various engaging

themes in a range of media and contexts.

The second edition also includes new coverage of avoiding plagiarism and working with source material.

**The Writer's Presence** Springer Monsters explores questions about the central concept of the monstrous: Why do we create monsters? Are they animal, human, both, or neither? Which of our fears and desires do monsters embody? What can monsters tell us about our cultural and historical moments? How do we cope with the monsters that haunt our imaginations--and our societies?

Readings by classic poets, contemporary fiction writers, pop culture critics, philosophers, psychologists, occultists, veterinarians, ethicists, historians, and others take up these questions and more. Questions and assignments for each selection provide a range of activities for students to write about vampires, werewolves, zombies, mermaids, serial killers, classic horror movie monsters, and more strange things that go bump in the night. The Bedford Spotlight Reader Series is an exciting line of single-theme readers, each reflecting Bedford's trademark care and quality. An editorial board of a dozen compositionists at schools with courses focusing on specific themes assists in the development of the series. Each reader collects thoughtfully chosen selections sufficient for an entire writing course--about 35 pieces--to allow instructors to provide carefully developed, high-quality instruction at an affordable price. Bedford Spotlight Readers are designed to help students from all majors make sustained
