The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature,

education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis

with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal Prayers that Avail Much for Kids, Book 2 Charisma Media PRODUCT DESCRIPTION Prayers That Avail Much(R) for Teens has sold over 100,000 copies and the Prayers That Avail Much, Book Series has sold over 3 million copies, proving themselves as staples in the book market nationwide. Since Eugene Peterson first wrote this spiritual formation classic nearly forty years ago, hundreds of thousands of Christians have been inspired by its call to deeper discipleship. As a society, we are still obsessed with the immediate; new technologies have only intensified our quest for the quick

fix. But Peterson's time-tested prescription for discipleship remains the same—a long obedience in the same direction. Following Jesus in this way requires a deepening life of prayer, and throughout history Christians have learned to pray from the Psalms. Peterson finds encouragement for today's pilgrims in the Songs of Ascents (Psalms 120-134), sung by travelers on their way to worship in Jerusalem. With his prophetic and pastoral wisdom, Peterson shows how the psalms teach us to grow in worship, service, joy, work, happiness, humility, community, and blessing. This special commemorative edition of *A Long Obedience in the Same Direction* includes a new preface taken from

Leif Peterson's eulogy at his father's memorial service.
