Floral expert Chelsea Fuss shows you how to make beautiful, natural arrangements with foraged and seasonal greenery, branches, and flowers Based on her extraordinarily popular flower-arranging workshops, Chelsea Fuss's first book combines an alluring sense of place with everything readers need to know to forage, gather, and arrange fresh and dried botanicals. Each arrangement is addictively easy to make, and the featured centerpieces, wreaths, garlands, and bouquets are designed to bring the perfect amount of scent, color, and atmosphere to a room. The book features 28 eco-friendly floral projects, all using natural materials in lieu of floral foam and wire. Each arrangement is accompanied by foraging tips that can be applied to different locales. Photographed in the author's small village in Portugal, the book overflows with atmospheric images of flowers and foliage in the landscape to inspire readers to walk local trails (even if that just means the stalls of a city market) and gather ingredients in a pastime that is as much self-care and meditation as it is a practical pursuit.

It's no secret that everyone loves fresh flowers, but in recent years, fake flowers have blossomed from a budding trend into a full-grown sensation. In fact, these days, everyone from decorators to design bloggers are embracing faux flowers in their projects, at their events, and on social media. And for wonderful reason! Not only are they easier on the wallet than fresh flowers, but they'll obviously last much longer, and you won't have you worry about any wilting at your warmest summer dinner party. Yes, handcrafted paper blooms offer one of the best ways to achieve that sought-after fresh flower look without any of the upkeep. But instead of purchasing artificial flowers--which can be just as (or even more) costly than the real deal--consider crafting your own DIY paper flowers from tissue paper, crepe paper, and even everyday household items. From beautiful flower

arrangements to brighten up your home to whimsical flower crowns to wear for special occasions, the only limit to what you can create is your imagination, since you can make all types of flowers in various sizes.
