He ' d never trust her! Years ago, Jake had fallen for Emily — hard! One look, and he knew that Emily was The One. He ' d thought she felt the same way, but one morning, she was gone. Not just gone from his bed, but gone from her apartment and his life! Fast forward to now, and Jake is startled to see Emily, looking more beautiful than before, strolling into his office and offering to partner with him on a system that...it could change the world! Dare he trust her again? Could he believe her soft sighs of pleasure? Or should he keep his distance from her and keep his heart and mind safe? Emily walked into Jake ' s office and...he was more amazing than she ' d remembered! Taller, more handsome and much more...everything! Emily might love him, but every day was a gift and she didn ' t know if she ' d have many more. Her future was always uncertain. But she could take what he offered...and secretly love him with her whole heart and mind and soul!

The Crisis That Rocked a Country and a Company... In April 2004, an illegally leaked U.S. Army report thrust CACI, an information technology company, into the international spotlight by casting suspicion on a CACI employee for being "either directly or indirectly responsible" for the mistreatment of detainees at Abu Ghraib prison in Iraq. At the same time, pictures from the abuses were shown on national television and tarnished anyone associated with Abu Ghraib—including CACI. What ensued was a media frenzy rarely seen by any company in recent decades. The media twisted the unsupported allegations into a guilty verdict without regard for the facts or the truth, creating a damning public perception of CACI. Our Good Name recounts how CACI battled to defend itself against erroneous and malicious reports by a rampaging media, how it responded to the wide-ranging government investigations, and how it overcame misplaced anger and criticism that put the company's dedicated employees and excellent reputation—even its future—at risk. Our Good Name is CACI's story of facing one of the biggest scandals in recent history...and coming out honorably with its head high.
