Both
beginning/novice
amateur astronomers
(at the level of Astronomy and Night Sky magazine readers), as well as more advanced
amateur astronomers (level of Sky and Telescope) will find this book invaluable and fascinating. It includes detailed up-to-date information on sources, selection and use of virtually every major type, brand

and model of such instruments on today's market. The book also includes details on the latest released telescope lines, e.g. the 10-, 12-, 14- and 16-inch aperture models of the Meade LX-R series. As a former editor for Sky & Telescope, Astronomy, and Star & Sky magazines, the author is the ideal person to write this book.

The Wall Street Journal Guide to Business Style and Us Infobase Publishing 'e-Business: a jargon-free practical guide' presents a clear, second-generation account of how your business can harness the latest technology to flourish in the transformed commercial climate of the 21st century. With its emphasis firmly on the business and marketing implications of new technology, this book adopts a hands-on, practical approach, systematically demonstrating how and why businesses should adapt their operations to make the very most of the exciting opportunities available. In simple, jargon-free language, it addresses such vital questions as: * What is e-business and how does it fit into the corporate landscape? * How should

marketers adopt e-marketing and why? * What are the processes and stages of developing an e-business strategy? * What are the key issues you will face and how will you overcome them? * What about legislation? * Who is doing e-marketing and e-business well and badly? 'e-Business' is packed with case-studies from well-known international companies, examples, screen grabs, relevant models and checklists. Each chapter meanwhile contains handy hints and tips, examples, exercises and a summary to consolidate learning and highlight key points. Informative, pertinent and easy-to-use, the book is ideal for students on relevant courses or those undertaking in-house training, and is absolutely essential for any practitioner needing a hands-on guide to strategy and best practice in today's altered commercial environment.

" Leonard ' s durable tome (seriously, the cover is rubber) is stuffed with so many tips about surviving in the wild, you ' ll be able to leave your smartphone behind. "

—Entertainment Weekly, Best New Books This easy introduction to outdoor life will ensure that even a novice won ' t get lost in the woods while finding an activity he loves to do in the great outdoors--whether it ' s hiking a 14er or camping on ice. With 400 strategies for engaging in the outdoors, and expert tips and tricks, The Great Outdoors: A User ' s Guide makes Mother Nature easier to understand than ever before. Brendan Leonard, writer, filmmaker, and outdoor adventurer, shows the reader how rewarding it can be to live life away from the computer and get outside. From mountain climbing, to skiing, sledding, and sailing, Leonard shows that you don ' t need to be a risk taker to enjoy the outdoors. And if the reader does find himself at the point of man vs. nature, Leonard shares survival skills from how to bandage a wound and read a topographical map, to how to drive on sand and remove a tick from your skin—all organized thematically and written in short takeaway entries with helpful line

drawings. Bound in a uniquely rugged (and waterproof!) PVC cover material, *The Great Outdoors: A User's Guide* is a friendly way into the outdoor lifestyle, whether you're looking to dabble or go all in. *User's Guide* DIANE Publishing

Find key info fast. Rely on QuickBooks' Search and Find features, as well as the Vendor, Customer, Inventory, and Employee Centers.

The Banshukai - Japan's Premier Ninja Manual

Simon and Schuster

On the farm there was a pigsty with a barbed wire fence surrounding it. Ernie climbed inside. When a sow charged him, he retreated and cut himself as he ducked under the barbed wire. With blood all over his eye, his mom took him to the nearest medical facility, which was a tuberculosis sanitarium. A doctor there saw the injury was to the eyelid, not the eye. He sewed up the eyelid leaving a small scar. So Ernie was one of the few people in the world who was an outpatient at a tuberculosis sanitarium. It was a busy year for Ernie's guardian angel.

Tourism and Recreational Behaviour of Ontario Residents: User's guide to analysis Peachpit Press
QuickBooks 2008 Solutions

Guide for Business Owners and Accountants contains a wealth of information useful to both the business owner and the accountant who services such businesses. To make finding the right information easier, the book is organized into chapters specific to each accounting module in QuickBooks. The author has worked many years with businesses that use QuickBooks to manage their financials and knows that every company has its own unique needs, yet all share one common goal – to more accurately track how the business is performing financially. The goal of this book is to provide easy-to-read and easy-to-follow QuickBooks “consulting” advice that business owners, bookkeepers, or accountants can use. After reading the chapters in this book, business owners and accountants will be able to efficiently troubleshoot a QuickBooks data file and make needed corrections, so they can accurately report how the business is performing financially. This book helps you

- o Get started with a QuickBooks data file and learn how to modify the file you already have
- o Analyze your data and troubleshoot reports
- o Review and correct any data errors in your balance sheet accounts such as Banking, A/R, Undeposited Funds, Employee Advances, Inventory, A/P, Sales Tax, and Open Bal

Equity Account o Use the tools in QuickBooks to properly review your payroll data and avoid costly mistakes o Efficiently share your business data with your accountant o Make the most of the QuickBooks reporting tools

Laura Madeira graduated from Florida Atlantic University with a major in accounting and is a certified trainer for Intuit's Certified Trainer Network. As a member of this select group, she provides training to accountants and consultants each fall when the new version of QuickBooks is released. She also is a guest instructor for Intuit at many trade shows throughout the year, and she writes published QuickBooks technical documentation and presentations for Intuit. Laura owns a software and accounting firm that has for more than 20 years helped a large variety of businesses manage their financials using Intuit's QuickBooks software (Intuit's Quicken in those early years). In fact, she has been training users on QuickBooks since the very first version was released many years ago. Category Business Finance Covers QuickBooks 2008 User Level Intermediate – Advanced Front cover quote: “Laura Madeira has created an extremely valuable QuickBooks resource that belongs on every business and accountant's bookshelf” – Rich Walker, CPA, Intuit Accountant Relations

A practical guide to using Google Workspace apps efficiently while integrating them with your data

AuthorHouse

The first complete translation of the ultimate Ninja manual—a comprehensive guide to the arts of the ninja, including espionage, warfare, assassination, and more

In 1676, a ninja named Fujibayashi collected and combined information from the ninja clans of Iga—regarded to be the homeland of the ninja—and compiled it into an authoritative book. Known as *The Bansenhukai*, Fujibayashi's book has now been translated into English by the Historical Ninjutsu Research Team and is widely considered to be the 'bible' of ninjutsu, the arts of the ninja. *The Book of Ninja* begins with an in-depth introduction to the history of Fujibayashi's scripture. The teachings themselves, appealingly rendered in this translation, then take us into the secrets of guerrilla warfare and espionage. We learn how to become the ultimate spy, whether through a network of spies or by hiding in plain sight. Through the stealth and concealment tactics of

night-time infiltration, through weapon and tool building skills, and through mission planning, we can learn much both about warfare and about adopting the right mindset for tackling our own inner and outer enemies. Adding to the mix for the spycraft lover, there are sections on capturing criminals, performing night raids, making secret codes and signs, and even techniques for predicting the weather, and using an esoteric Buddhist system of divination. An exciting and engaging tome of lost knowledge, *The Book of Ninja* is the final say in the world of the ninja and the ultimate classic for samurai and ninja enthusiasts alike.

Chronolog Springer Science & Business Media

If you're an experienced editor who wants to get up-to-speed on Premiere Pro, then look no further than this fast-paced but thorough introduction to Adobe's flagship editing program. Enjoy the ride as three experienced editors take you step-by-step through the entire editing process in Premiere Pro, from file creation all the way through output. Along the way you'll learn the ins-and-outs of (or "to do things such as") file management, essential and intermediate editing techniques, color correction, audio mixing and repairing, titling and effects, and delivering your video onto

tape, the web, and mobile devices. You'll learn to work within the Adobe ecosystem as well, getting up to speed quickly on time saving tools such as Dynamic Link, Adobe Story, and more. As you work through sections, you'll find references to engaging videos that accompany the book, giving you a visual and audio frame of reference and solidifying your knowledge of the program. Within a weekend, you'll learn everything you need to know to use Premiere Pro confidently for your own projects. In this no-fluff guide to Premiere Pro, you'll learn to

- Quickly organize your existing Final Cut or Avid projects, or create new projects to use right away in Premiere Pro
- Understand how to use Premiere Pro with other Adobe software
- Edit your footage the way you like but with tips and techniques from authors with tons of experience in all the editing programs and who speak your language.
- Put your skills to work immediately by using the accompanying lesson files to work through the steps in the book
- Improve your knowledge through video tutorials, handy quick reference guides, and keyboard shortcut sheets made available on the book's companion media. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" ↴ Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that

accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear. Please note that some lesson and video files are very large due to their high quality. High-speed internet connections are recommended for best results in downloading these files.

The Emulation User's Guide has everything you need to know about getting started with computer, console and arcade emulation on the Apple Macintosh computer and PC. This guide includes the history of emulation on the Internet and covers some of the legalities involving emulation of these systems.

Resources in Education Packt Publishing Ltd

Here at last is the indispensable resource that has helped the writers and editors of The Wall Street Journal earn a reputation for the most authoritative business writing anywhere. Originally written exclusively for the paper's staff, The Wall Street Journal Guide to Business Style and Usage is

a landmark work. Many years in preparation, it has now been expanded and revised for anyone who wants to write well, but especially for those in the business community. The only book of its kind, it offers A-Z guidance on style and usage, bearing in mind the special needs of business professionals and including the latest business terminology. If ABC is no longer the American Broadcasting Company, what is it? What is the difference between "adjusted gross receipts" and "adjusted gross income"? How about the differences among "adopt," "approve," "enact" and "pass"? When should you say "affect" and when "effect"? When did Generation X end and Generation Y begin? And what the heck is the new name of Andersen Consulting? Our language is ever changing, ever mutating, and the choice of the right word bolsters your credibility with readers. As the go-to resource for these questions and others, The Wall Street Journal Guide to Business Style and Usage gives readers a competitive edge for succeeding in the world of business. It is an invaluable resource for any member of the business community who has ever had to write a memo, report, proposal, press release or e-mail. Destined to be the standard resource for years to come, The Wall Street Journal Guide to Business Style and

Usage provides readers with access to the Journal Web site (www.wsjbooks.com), which will feature updates as new business terms enter the language or as old definitions or usages give way to new. This guide is the definitive reference work to keep close to your desk -- the last word for everyone who works with words.

A User's Guide Que Publishing

Gathers in one place descriptions of NIST's many programs, products, services, and research projects, along with contact names, phone numbers, and e-mail and World Wide Web addresses for further information. It is divided into chapters covering each of NIST's major operating units. In addition, each chapter on laboratory programs includes subheadings for NIST organizational division or subject areas. Covers: electronics and electrical engineering; manufacturing engineering; chemical science and technology; physics; materials science and engineering; building and fire research and information technology.

The Official Intuit Guide to QuickBooks 2015

Entrepreneur Press

From video production to promotion, author Jason R. Rich details how to use the

power of YouTube to promote business brands, products, or services, ultimately attracting new customers. Unfamiliar entrepreneurs receive a full tutorial on pre-production and production essentials, from developing video ideas that attract attention to overcoming lighting and sound challenges. Amateur producers receive a full list of equipment needed, and they gain tips from well-known YouTube users on how to produce quality spots without breaking the bank. After covering the basics, Rich — joined by YouTube-savvy entrepreneurs — reveals how small business owners can drive viewers to contact their business. Rich also shows entrepreneurs how they can make money, while promoting themselves.
