Breton Publishing Company
Part of the Spanish at Work series, this communicative, needs-based approach to language learning is designed to help professionals or pre-professionals in one of the many areas of health care. Designed for beginning language students (no prior knowledge of Spanish is assumed), for whom success in the field is vitally important, Spanish for Health Care prepares students to use real-life language on the job--immediately.
Realidades 3 Prentice Hall

Roberto Toledo, a teenager living in Guanajuato, is unable to get anyone in his family to talk about the disappearance of his grandfather. The arrival of Linda Toledo, a student from San Antonio, Texas, starts Roberto in search of the truth. What secret is the family hiding? Does he want to know the truth? Filmed in Guanajuato, San Miguel de Allende, and Dolores Hidalgo, Mexico, this 10-episode video is appropriate for second-year Spanish students. Each episode is approximately nine minutes in length. The VHS package contains 5 cassettes and the DVD package contains 2 discs. Each package includes the Teacher's Video Guide with videoscripts and teaching suggestions. The activities in the En busca de la verdad Video Workbook are different than those in the REALIDADES 2 Student Edition.

Psychology 2e Pearson School K12

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they

simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.” —Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.” —Library Journal (starred review)

“I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.” —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.” —Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Principles of Microeconomics 2e A3d Impressions

The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

Realidades 2 Glencoe/McGraw-Hill

This is the ANSWER KEY to the textbook HONOUR OF KINGS SPANISH 2. This text can be purchased via our website at www.honourofkings.com. Honour of Kings Spanish II provides 20 weekly lessons, seven tests, and a final exam. This text reviews the basic concepts learned in Spanish I while also introducing new grammar concepts. Students will continue to build skills in fluency by following a logical, mastery approach to the language. Practice in reading, writing, vocabulary, and translation is included in the text. By the end of this second year of Spanish, students should be comfortable using the present, past, and future verb tenses along with other intermediate grammar concepts
