This textbook companion effectively teaches all the important chemistry concepts. Each of the video lessons is about five minutes long and is sequenced to align with the chapters in...

9780328870462 - 2016 Prentice Hall Brief Review Chemistry ...

The main purpose of the book is to help you learn

chemistry. However, the book is also linked to two other goals: to show how important and interesting the subject is and to show how to think like a chemist. To solve complicated problems, the chemist uses logic, trial and error, intuition, and, above all, patience.
