What I like about  
the text: Great  
balance of  
explanation without  
TMI i.e. history of  
English/descriptive  
grammar. Focuses  
on practice with  
several varieties of  
exercises for each  
concept without  
being overwhelming.  
When used with  
"answer key" in the  
back, learners aren't  
dependent on a  
teacher or tutor and  
can move at their  
own pace.
