Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense,

and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school

and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test-communicating fluently with native speakers. Realidades 2014 Leveled Vocabulary and Grammar Workbook Level 3 McGraw-Hill Medical Publishing Realidades 4 Digital Edition (c)2014 provides standards-based instruction that seamlessly integrates vocabulary, grammar, communication, culture, and digital learning for upper level Spanish. text features 12 thematic chapters with a focus on the integration of language and contemporary culture, a review and expansion of vocabulary and grammar, and extensive practice in the three modes of communication (interpretive, interpersonal, and presentational). The cultural themes allow for a deeper exploration of cultural products, practices, perspectives, and comparisons. Realidades 4 can be used effectively as the fourth year program in an articulated sequence of instruction, as a pre-AP text to Abriendo paso (c)2014, or as the core text in an
