Have you ever thought about praying for your future husband? Will it make a difference? There's only one way to find out... From when we were small girls, most of us dream of "The One," our future husband. We think about what it would be like to be a bride. We wonder who that special guy is and when we'll find him.

The great news is that what you do now can make a difference in your life and the life of your future husband! Authors and good friends Robin Jones Gunn (Christy Miller series) and Tricia Goyer (author and former teen mom) believe God answers women's prayers for husbands—even husbands they may not meet for years. They invite young women to pray boldly for their future mate ... while also asking God to prepare their own hearts. In *Praying for Your Future Husband*, Robin and Tricia share their two vastly different experiences, including the things they did right and the mistakes they made on the path to meeting and marrying their husbands. Each chapter includes helpful Bible verses, prayers, and practical application, along with true stories of women who prayed for a husband and how God answered in remarkable ways. God has a beautiful romance prepared for you. Prayer is the key to unlocking the love story ... with your future husband and with God, the lover of your soul. *Mommy and Daddy Love You Exactly As You Are!* Penguin Updated and Revised Your teen comes home with her driver's license. College catalogs fill your mailbox. Senior pictures are taken, and graduation gowns are fitted. The family car is loaded to take your college freshman to his dorm. During that transition time when a teen becomes a young adult, family roles must stretch and adjust to accommodate spreading wings. What can you expect in this process? *Give Them Wings* offers insight into how families change as parents and teens make room for the future. Emphasizing the need for independence and responsibility, *Give Them Wings* explores many ways that parents can equip their teen. If your children are on the

brink of adulthood, *Give Them Wings* can help you survive the changes and thrive on the challenges the next few years will bring. You can be prepared to help your teens journey into adulthood, as well as learn to enjoy the process of emptying the nest.

Many people waste a great deal of time writing bids or tenders that are not successful. Even worse, they may succeed in gaining funding for a project or service where the

plans and budgeting are poorly thought through in relation to the implementation or application. That can be a very costly mistake if the funding you gain is insufficient but you are stuck with developing the project or service. "Making an Effective Bid" outlines everything you need to know for writing successful bids and tenders. It is full of tips and advice and introduces ideas for building up contacts, setting up networks, organising potential collaborators and avoiding pitfalls. Examples of successful and not-so-successful bids are included to fully illustrate the concepts. With practice, you should become more adept at writing bids and gaining funds that further your work and career. This book is a vital guide for those in health and social care who are required to, or want to, make a bid or tender for resources - for money, work, staff, equipment, research, educational activities or a new service. It will help you to develop a greater understanding of making successful bids, and go on to compose a bid or tender with the essential ingredients to succeed. "This book is for anyone working in health and social care who is required to, or wants to, make a bid or tender for resources- for money, work, people/staff, equipment etc or research, educational activities or a new service. This will include academics, and health and social care personnel. It will help you to develop a greater understanding of how to make a successful bid, and go on to compose a bid or tender with the right ingredients to succeed. So buying the book and spending time reading it should be a great investment." - Ruth Chambers, in the Preface.

31 Prayers for My Future Husband Multnomah

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision. Herald of Gospel Liberty Henry Holt and Company

John Quincy Adams warned Americans not to search abroad for monsters to destroy, yet such figures have frequently habituated the discourses of U.S. foreign policy. This collection of essays focuses on counter-identities in American consciousness to explain how foreign policies and the discourse surrounding them develop. Whether it is the seemingly ubiquitous evil of Hitler during World War II or the more complicated perceptions of communism throughout the Cold War, these essays illuminate the cultural contexts that constructed rival identities. The authors challenge our understanding of "others," looking at early applications of the concept in the eighteenth century to recent twenty-first century conflicts, establishing how this phenomenon is central to decision making through centuries of conflict.

Joseph Butler's Fifteen Sermons (1729) is a classic work of moral philosophy, which remains widely influential. The topics Butler discusses include the role of conscience in human nature, self-love and egoism, compassion, resentment and forgiveness, and love of our neighbour and of God. The text of the enlarged and corrected second edition is here presented together with a selection of Butler's other ethical writings: A Dissertation of the Nature of Virtue, A Sermon Preached Before the House of Lords, and relevant extracts from his correspondence with Samuel Clarke. While this is a readers' edition that avoids cluttering Butler's text with textual variants and intrusive footnotes, it comes complete with scholarly apparatus intended to aid the reader in studying Butler's work in depth. David McNaughton contributes a substantial historical and philosophical introduction that highlights the continuing importance of these works. In addition, there are extensive notes at the end of the volume, including significant textual variants, and full details of Butler's sources and references, as well as short summaries of Butler's predecessors, and a selective bibliography. This will be the definitive resource for anyone interested in Butler's moral philosophy.

In a revised and expanded edition, this simple pamphlet continues to guide us in dealing with death and arranging in advance for funerals. These booklets are often purchased in bulk by institutions to distribute to people of all ages to help them plan final arrangements, or to families of the deceased immediately after a death. The original edition was prompted by the death of the author's father: upon his passing and pending funeral, no one knew his plans or directives. Since then, scores of clergy, funeral directors, and parishioners have used this guide to address what needs to be done.

How can a single mother provide her son with the strength and wisdom most boys receive from their fathers? How will her son learn to be a good man without a healthy male influence around? In today's world, many women--single mothers, grandmothers, even military wives--are left with the responsibility of raising children on their own. Being a single parent comes with many challenges, but for women one of the most difficult is to raise sons to be strong men and good fathers without a healthy male role model in the home. In *Single Moms Raising Sons*, Dana Serrano Chisholm speaks from her own experience as a single mother of two boys and inspires other single moms to partner with God--the Father of the fatherless. She teaches them to find strength and wisdom as they allow Christ to be their partner in very real ways--helping them raise their children. From financial concerns to passing on macho, *Single Moms Raising Sons* supplies honest insight,

unifying encouragement, and practical applications to guide mothers as they raise their boys to be the solid, Christian men they want them to be.

Babies are so easy to love. It feels so natural to love a newborn child unconditionally. The love just naturally flows out of us. Nobody has to teach us. Nobody has to ask us. Nobody has to convince us. It just happens. How wonderful it would be if we could always love, cherish, and appreciate our children as gorgeous, loving, angels. How great it would be to carry our love with us and maintain it powerfully forever. We can do that. We simply need to be nudged to remember. We just need to be reminded what we hold dear and precious. We only need to take time out for a few moments and bask in the memory (and the present moment reality) of what is so amazingly and divinely wonderful about our gifts from the divine. This book is one of those reminders. Read this to your children so they (and you) remember how much you love them.

In *TROLL PETER'S ADVENTURES BOOK 4*, Troll Peter and his family are busy at Troll Hill, preparing for winter.

However, the little troll boy is sad that the summer is over. But then something exciting happens. He is allowed to go with his father to a farm outside the moor to get supplies for their Midwinter Feast. Of course, it's done at night time when the farmer sleeps. There Troll Peter meets Nissen, the friendly Barn Gnome. He lives in the hayloft of the farm, but comes down at night to take care of the barn animals, so they can thrive well. Then on their way home over the moor, Troll Peter also comes to know a mysterious little fellow, called Willy Wisp. - In the end of the story the troll family is having a good time, celebrating the shortest day of the year with a yule log crackling in the fireplace. And after dinner they climb to stand on top of Troll Hill, just to enjoy the stillness of the moor. It's a special moment. It's Midwinter Eve and the snow is falling, soft and white out of the dark sky.

Internationally recognized expert on raising and educating boys, Dr. Tim Hawkes shows parents of tween and teen boys how to approach difficult but important conversations. Every parent of a teenage boy knows there are certain

conversations they must have with their son but often they put them off--or worse, don't have them at all--because they simply don't know where to start. In *Ten Conversations You Must Have With Your Son*, Dr. Hawkes provides parents with the essential information you need to negotiate your way through what can often be very difficult territory about the why, what, and how of ten key topics: love, identity, values, leadership, achievement, sex, money, health, living together, and resilience. Each chapter offers suggestions for how you can connect with your sons on these issues while sharing your own experiences and knowledge with your boys. A headmaster of 25 years, Dr. Hawkes is in a unique position to know what goes on inside the minds of teenage boys. He understands what they need to know to best prepare them for the opportunities, responsibilities, challenges and demands that life will make on them. *Ten Conversations You Must Have With Your Son* is the one book anyone with a teenage son should read to help them prepare him for adulthood.
