A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the

love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, 'Do the sacrifices give a happy fortune?', 'What about the Gods?', 'Was it really Prajapati who had created the world?' 'Was it not the 'Atman', the singular one?' Siddhartha meets his father and says, 'With your permission, my father, I have come to tell you that it is my longing to leave your house

tomorrow and go to ascetics. My desire is to become a Samara.' His father says-'You will go into the forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful.' This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid. BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you

made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “ class ” : lessons in how to live. Tuesdays with

Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

It is also the cornerstone on which much of Western literature and thought is based. Three thousand years

after ancient bards plucked their lyres and sang the adventures of gods and heroes, we still see much of ourselves in the tales of Odysseus and his men as they battle natural and supernatural forces and their own human nature to find their way home. The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878 – 1968). Sinclair wrote the novel to portray the lives of immigrants in the United

States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or

journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.
