New York Times bestselling author Jen Lancaster takes you from sorority house to penthouse to poorhouse in her hilarious memoir of living the sweet life—until real life kicked her to

the curb. She had the perfect man, the perfect job—hell, she had the perfect life—and there was no reason to think it wouldn't last. Or maybe there was, but Jen Lancaster was too busy being manicured, pedicured, highlighted, and generally adored to notice. This is the smart-mouthed, soul-searching story of a woman trying to figure out what happens next when she's gone from six figures to unemployment checks and she stops to reconsider some of the less-than-rosy attitudes and values she values she thought she'd never have to answer for when times were good. Filled with caustic wit and unusual insight, it's a rollicking read as speedy and unpredictable as the trajectory of a burst balloon.

Stolen Life Simon and Schuster
Jen Lancaster's cultural inferiority complex had to come from somewhere...and now fans can find out where in this hilarious New York Times bestselling memoir

from the author of *Bitter is the New Black*. Before she was bitter, before she was lazy, Jen Lancaster was a badge-hungry Junior Girl Scout with a knack for extortion, an aspiring sorority girl who didn't know her Coach from her Louis Vuitton, and a budding executive who found herself bewildered by her first encounter with a fax machine. In this hilarious and touching memoir, Jen Lancaster looks back on her life—and wardrobe—and reveals a young woman not so

different from the rest of us. Prepare to take a long walk in her (drool-worthy) shoes in this humorous and heartwarming trip down memory lane.

Chameleon on Plaid

A trailblazing pioneer, acclaimed actress, artist, and designer, Irene Tsu has helped break barriers for Asian-Americans in her long and storied career in Hollywood. Along the way, she's worked (and played) with many legends of the silver screen: Elvis Presley, John Wayne, Doris Day, Jimmy Stewart, Jeff Bridges, Bette Miller, Nick Nolte. Irene knew them all, and many more... some

more intimately than others! But none more intimately than the Chairman of the Board himself, Frank Sinatra, with whom Irene shared a passionate and adventurous two-year relationship. Now she finally opens up about her journey from a tumultuous childhood in Shanghai, to New York and dreams of being a prima ballerina, and finally to catching the acting bug and moving to Hollywood. She reveals secrets about those fascinating relationships and the many opportunities that make up her compelling and inspiring tale. More than just a Hollywood tell-all, Irene also shares deeply personal moments and shows how she's always been able to move

with the ebb and flow of life, making the most of it and celebrating it like a true water color artist.

The Princess Wore Plaid

Harper Collins Readers have followed New York Times bestselling author Jen Lancaster through job loss, sucky city living, weight loss attempts, and 1980s nostalgia. Now, in this bitter and witty memoir, Jen chronicles her efforts to achieve cultural enlightenment, with some hilarious missteps and genuine moments of inspiration along the way. Jen uses

any means necessary on her quest to better herself: reading canonical literature, viewing classic films, attending the opera, researching artisan cheeses, and even enrolling in etiquette classes to improve her social graces. In Jen's corner is a crack team of experts, including Page Six socialites, gourmet chefs, an opera aficionado, and a master sommelier. She may discover that well-regarded, high-priced stinky cheese tastes exactly as bad as it smells, and that her love for Kraft American Singles

is forever. But one thing's for certain: Eliza Doolittle's got nothing on Jen Lancaster—and failure is an option.

Pretty Good for a Girl Vintage Canada

A successful man must face the terror of his own mortality in this masterful nineteenth-century Russian novella by the author of *War and Peace*. In his later years, Leo Tolstoy began to contemplate the inescapable realities of mortality—its terrifying mystery, its many indignities, and the way it forces one to look back on the legacy and regrets of one's life. *The Death of Ivan Ilyich*, widely considered the masterpiece of Tolstoy's late career, is both a deeply insightful meditation on the

final months of a man's life, and an unsparing critique of conventional middle-class life in nineteenth-century Russia. Ivan Ilyich, a prosperous high-court judge, spends his days pursuing social advancement among his peers and avoiding his loveless marriage. But when a seemingly innocuous injury signals the beginning of a terminal illness, Ilyich begins to see the true worth of his life with tragic clarity.

A fascinating exploration of the

relationship between American culture and music as defined by musicians, scholars, and critics from around the world. Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history. From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes, our country's musical expressions reflect where we, as a people, have been, as well as our hope for the future. This four-volume encyclopedia examines music's influence on contemporary American life,

tracing historical connections over time. Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society. Entries include singers, composers, lyricists, songs, musical genres, places, instruments, technologies, music in films, music in political realms, and music shows on television. *Bitter is the New Black* WestBow Press
National Book Award Finalist A heartstrong story of family and romance, tribulation

and tenacity, set on the High Plains east of Denver. In the small town of Holt, Colorado, a high school teacher is confronted with raising his two boys alone after their mother retreats first to the bedroom, then altogether. A teenage girl—her father long since disappeared, her mother unwilling to have her in the house—is pregnant, alone herself, with nowhere to go. And out in the country, two brothers, elderly bachelors, work the family homestead, the only world they've ever known. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together—their fates

somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition. All told, he has the perfect life and no intentions of ever settling down in any shape, form or fashion. So resolved, he heads to his friend's Scottish castle, unaware that fate is already hard at work. As the illegitimate half-sister to Viscount Strathmore, Melody

Macdonald refuses to reside under his roof and instead lives in a thatched house on the edge of the forest that borders Strathmore Castle. Ever since she ran off at the tender age of twelve to become an apprentice to a master of stained glass, Melody has been deplorably independent and wild. When Devon arrives at Strathmore Castle, he is taken aback by the rude, overbearing, illegitimate Scotswoman who refuses even to pretend to possess any feminine wiles. But Devon is

Destitute, she accepts the offer from a sympathetic (but unbelieving) innkeeper to work for her room and board while she waits for an answer to the missive she's sent to her cousin Prince Nikolai. With no other recourse, Tatiana scrubs floors and washes dirty linens, waiting for her prince to come... A proud lord once lost and now found... He leaves only once a week to eat at the local inn, drawn by the expert cooking of the innkeeper's wife. One day, Buchan arrives to find that the innkeeper has a new servant, a beautiful scullery maid with a queenly air and flashing green eyes that leave him breathless and increasingly aware of his lonely existence... Love may find them yet... The challenge of winning his way into Tatiana's heavily protected heart stirs Buchan back to life...but can he and

his scars—and broken heart—win a proud princess whose only goal is to leave Scotland and return to the court where she's the crowning jewel? *Chinatown Pretty* BoD – Books on Demand Named a Publishers Weekly Best Book of 2012 New York Times and USA Today bestselling author Grace Burrowes keeps winning reader awards for her gorgeously imagined books. A Needle in Her Cloth Penguin
Three grown women find escape and camaraderie on sorority row in a delightfully exhilarating novel about fresh starts, whether you want them or not, by New York Times bestselling author Jen Lancaster.
How fast can charity fundraiser CeCe Barclay's unimpeachable society life come tumbling down?
One minute she's speaking before Chicago's glitterati. The next, her

financier husband is wanted for embezzlement. Her assets seized and her fall mortifyingly public, CeCe grasps for refuge--and employment--as a sorority housemom at Eli Whitney University, her daughter Hayden's alma mater. Tasked with preparing a stately but--in CeCe's estimation--shabby house for rush, CeCe isn't the only one navigating a new life. Janelle Smith's last experience as a housemother was at a Jersey strip club, where she witnessed a mob hit. Until trial, WITSEC finds her a housemom position on Eli Whitney's sorority row, where Janelle's conflict

mediation and tolerance for high estrogen levels make her a star employee. For Hayden, a barista at a hopelessly hip off-campus café, the goal is to flee everything Barclay: the money, the scandals, and the exasperating family nonsense. What next? Though CeCe's not ready to sell her Chanel bag, she's open to reinvention. Hayden might even admit she needs help in her new independent life. And Janelle's due for a personal triumph. But big challenges loom between the alabaster columns of Eli Whitney, unexpected and dicey enough to bring them all

together. If only to keep them from falling completely apart. "An anxiety-

ridden ride as two girls' lives crash together through secrets, love and danger. . .
Captivating and stunningly visual." —Aiden Thomas, New York Times- bestselling author of Cemetery Boys
An electric romance set against a rebel art scene sparks lethal danger for two girls in *She's Too Pretty to Burn*, an expertly plotted YA thriller by Wendy Heard.
The summer is winding down in San Diego.
Veronica is bored, caustically

charismatic, and uninspired in her photography. Nico is insatiable, subversive, and obsessed with chaotic performance art. They're artists first, best friends second. But that was before Mick. Delicate, lonely, magnetic Mick: the perfect subject, and Veronica's dream girl. The days are long and hot—full of adventure—and soon they are falling in love. Falling so hard, they never imagine what comes next. One

fire. Two murders. Three drowning bodies. One suspect . . . one stalker. This is a summer they won't survive. Inspired by *The Picture of Dorian Gray*, this sexy psychological thriller explores the intersections of love, art, danger, and power. Christy Ottaviano Books [And the Bride Wore Plaid](#) Kendall Hunt THE NEW YORK TIMES BESTSELLER New York Times bestselling author Jen Lancaster has lived a life based on re-invention and self-

improvement. From *Bitter Is the New Black* to *The Tao of Martha*, she's managed to document her (and her generation's) attempts to shape up, grow up, and have it all—sometimes with disastrous results... Sure Jen has made mistakes. She spent all her money from a high-paying job on shoes, clothes, and spa treatments. She then carried a Prada bag to the unemployment office. She wrote a whole memoir about dieting...but didn't lose weight. She embarked on

a quest for cultural enlightenment that only cemented her love for John Hughes movies and Kraft American Singles. She tried to embrace everything Martha Stewart, while living with a menagerie of rescue cats and dogs. (Glitter... everywhere.) Mistakes are one thing; regrets are another. After a girls' weekend in Savannah makes her realize that she is—yikes!—middle-aged (binge watching is so the new binge drinking), Jen decides to make a bucket list and seize the day,

even if that means having her tattoo removed at one hundred times the cost of putting it on. From attempting a juice cleanse to studying Italian, from learning to ride a bike to starting a new business, and from sampling pasta in Rome to training for a 5K, Jen is turning a mid-life crisis into a mid-life opportunity, sharing her sometimes bumpy—but always hilarious—attempts to better her life...again.
