All the views written in this book are my personal view which I have experienced over the long period of time. All the view given in this book may not be useful for every student. I am writing this book because I saw the student struggling to clear competitive entrance exam for DM/Mch courses in various Indian medical college. So, kindly make note of these things before reading them or purchasing the book. I decided to write this book so I can guide the student, regarding how to prepare for the exam, so they can easily clear the exam .

Armaan has left his hometown Manali in order to prepare for the Pre-Medical Entrance Test (PMT) in Chandigarh. Little does he know that he would be forging an ever-lasting friendship with a pair of guys there who are also preparing for the PMT- Rajat and Vikas. All three of them have their lives running smoothly till one day Armaan discloses his past. Caught between the struggles of cracking the medical entrance exam and dealing with a mysterious and heart-breaking past that seems to be on the brink of jeopardising his future, Armaan is torn between different directions! As the days pass, his desire to resist the temptations of his past becomes

---

uncontrollable. But he can barely fathom the consequences his impetuous yearning for his past may bring! What is his mysterious past? Will he be able to overcome it? What will happen when his past endangers his present? What if a sudden encounter with someone changes his life forever? Will he crack the entrance test? Will he be able to fulfil his dream to become a doctor? MY IMPERFECT DREAM is the bitter-sweet story of campus relationships, of overbearing studies and overwhelming love and a dearly loved dream that is just short of attaining perfection!

Success Mantras of NEET/ JEE Toppers with Video Support  
Results of a survey said that the difference between Topper & an Average student is not much in terms of Subject

knowledge, intelligence or hard work, but the major difference is in terms of study techniques and approach towards exam. Hard work should bring success but only when coupled with efficient and appropriate study techniques. The book is based on success story of hundreds of toppers of different exams. The book/seminar recapitulates and reinforces the basic study techniques adopted by toppers and helps in mastering skills & techniques to learn more in less time and with less stress. Some of the topics
