All the views written in this book are my personal view which I have experienced over the long period of time. All the view given in this book may not be useful for every student. I am writing this book because I saw the student struggling to clear competitive entrance exam for DM/Mch courses

in various Indian medical college. So, kindly make note of these things before reading them or purchasing the book. I decided to write this book so I can guide the student, regarding how to prepare for the exam, so they can easily clear the exam.
