### **The Overstreet Guide To Collecting Video Games: Wood ...**

While this isn't a price guide, it's not meant to be. This is a guide to collecting, similar to the overstreet's guide to collecting comics and guide to collecting animation art. It provides a history of video gaming and a comprehensive look at different developers and franchises.

The price guide is broken down into three major condition groupings: Loose: console hardware only with no packaging. The

lower price range may only include the console itself and minimal accessories like a power adapter. Even at the low price, the machine should be in working condition. Units that are for “ parts only ” should be valued lower.
