---

## **The Chronicles of Narnia** HarperCollins

There are a thousand stories in the land of Narnia, and the first is about to be told in an extraordinary motion picture, *The Chronicles of Narnia: The Lion, the Witch and the Wardrobe*, from Walt Disney Pictures and Walden Media. In the never-ending war between good and evil, *The Chronicles of Narnia* set the stage for battles of epic proportions. Some take place in vast fields, where the forces of light and darkness clash. But other battles occur within the small chambers of the heart and are equally decisive. Journeys to the ends of the world, fantastic creatures, betrayals, heroic deeds and friendships won and lost -- all come together in an unforgettable world of magic. So join a prince as he fights for

his crown. The fourth volume in *The Chronicles of Narnia® Prince Caspian* Narnia ... where animals talk ... where trees walk ... where a battle is about to begin. A prince denied his rightful throne gathers an army in a desperate attempt to rid his land of a false king. But in the end, it is a battle of honor between two men alone that will decide the fate of an entire world.

Prince Caspian (the Chronicles of Narnia) - C. S. Lewis  
Hal Leonard Publishing Corporation

Prince Caspian: The Return to Narnia follows the Pevensie children's second trip to Narnia. They are drawn back by the power of Susan's horn, blown by Prince Caspian. The Prince has fled into the woods to escape his uncle, Miraz, who has usurped the throne. Narnia, as the children knew it, is no more. More than 1,000 years have passed and is now under the control of Wicked King Mirax. Their castle is in

ruins, while all Narnians have retreated so far within themselves. Could a desperate gamble by Peter save Narnia from the evil?

---

evil clutches and trust in the old Narnia he has only heard about in fairy tales. Can the royal children, Peter, Susan, Edmund and Lucy return to Narnia to aid the young and rightful king?

### Prince Caspian Read-Aloud Edition

Createspace Independent Publishing Platform

More exciting than The Lion, the Witch, and the Wardrobe, The Chronicles of Narnia: Prince Caspian continues the movie franchise based on C.S. Lewis' classic fantasy books. The movie picks up where the first left off... sort of. It's been a year since the Pevensie children--Peter (William Moseley), Susan (Anna Popplewell), Edmund (Skandar Keynes), and Lucy (Georgie Henley)--returned to England from Narnia, and they've just about resigned themselves to living their ordinary lives. But just like that,

they're once again transported to a fantastical land, but one with a long-abandoned castle. It turns out that they are in Narnia again--and they themselves lived in that castle, but hundreds of years ago in Narnia time. They've been summoned back to help Prince Caspian (Stardust's Ben Barnes, resembling a young, cultured Keanu Reeves), the rightful heir to the throne who's become the target of his power-hungry uncle, King Mraz (Sergio Castellitto). And he's not the only one threatened: Mraz's people, the Telmarines, have pushed all the Narnians--the talking animals, the centaurs and other beasts, the walking trees--to the brink of extinction. Despite some alpha-male bickering, Peter and Caspian agree to fight Mraz alongside the remaining Narnians, including the dwarf

---

Trumpkin (Peter Dinklage) and the swashbuckling mouse Reepicheep (voiced by Eddie Izzard). (Also appearing is Warwick Davis, who was in Willow and the 1989 BBC Prince Caspian.) But of course they most of all miss the noble lion, Aslan, who would have never let this happen to Narnia if he hadn't disappeared. Prince Caspian is epic, evoking memories of Peter Jackson's Lord of the Rings films. (Some of the battle elements may seem too familiar, but they were in Lewis's book.) And it's appropriate for kids (Reepicheep could have come out of a Shrek movie), though the tone is dark and there is a lot of death, albeit bloodless. After two successful films, Disney and Walden Media's franchise has proved successful enough that many of the characters are scheduled to return in The

Voyage of the Dawn Treader.

## HarperCollins Children's Books

Journeys to the end of the world, fantastic creatures, and epic battles between good and evil -- what more could any reader ask for in one book? The book that has it all is the lion, the witch and the wardrobe, written in 1949 by C. S. Lewis. But Lewis did not stop there. Six more books followed, and together they became known as The Chronicles of Narnia. For the past fifty years, The Chronicles of Narnia have transcended the fantasy genre to become part of the canon of classic literature. Each of the seven books is a masterpiece, drawing the reader into a world where magic meets reality, and the result is a fictional world whose scope has fascinated generations. This edition presents all seven books -- unabridged -- in one impressive volume. The books are presented here according to Lewis's preferred order, each chapter graced with an illustration by the original artist, Pauline Baynes. This edition also contains C. S. Lewis's essay "On Three Ways of Writing for Children," in which he explains precisely how the

magic of Narnia and the realm of fantasy appeal not only to children but to discerning readers of all ages. Deceptively simple and direct, The Chronicles of Narnia continue to captivate fans with adventures, characters, and truths that speak to all readers, even fifty years after the books were first published.

*The Chronicles of Narnia Vol III: The Voyage of the Dawn Treader* HarperCollins UK

C S Lewis' Narnia books have delighted millions of readers with their captivating otherworld. In this compelling book, Lewis scholar Michael Ward reveals deeper layers of meaning encrypted in the Narnia series, drawing on medieval cosmology and symbolism. - Koorong  
The Narnia books are mysterious. Millions of people have been captivated by them, but are left with unanswered questions. Why are there seven books? Are they biblical allegories? If so, why do four of them seem to have no biblical basis? Why do they lack uniformity? Why does Father Christmas appear in them? In *The*

---

Narnia Code Michael Ward attempts to answer this puzzle. Drawing on Lewis' love of Medieval astronomy, Ward breaks the Narnia 'code' and demonstrates the single theme that provides the link between all seven books. The author takes us through each of the seven Chronicles of Narnia and draws from the whole range of Lewis' other works to reveal the secret. Based on a groundbreaking scholarly work (Planet Narnia, OUP) that entered the Sunday Times best seller list, this fascinating book will cause the reader to understand Lewis in a whole new way. It has some important things to say about how we understand the universe and Christian faith today. Documentary DVD also available. #313627
