*The Princess Diaries, Volume V: Princess in Pink* Little, Brown Books for Young Readers This last book from beloved Hollywood icon Carrie Fisher is the crown jewel of ideal Star Wars gifts. The Princess Diarist is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naivet  , and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977, Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford. With these excerpts from her handwritten notebooks, The Princess Diarist is Fisher’s intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, The Princess Diarist brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.

*Valentine Princess* Harper Collins Sleeping Beauty, Victoria, Cleopatra, Snow White, Elizabeth, Pocahontas, Mia Thermopolis: all princesses Do YOU have what it takes to be a princess? princess mia will help you find out Best-selling Princess Diaries author Meg Cabot and acclaimed fashion artist Chesley McLaren team up again to display this clever royal roster of princesses of the world. Big or small, old or new, fact or fiction, our favorite princess Amelia Mignonette Grimaldi Thermopolis Renaldo (aka Mia) will point out why these princesses rule, and how any girl can too! The Princess Diaries Volume II: Princess in the Spotlight Harper Collins YA. Katie Ellison can't believe it. Just when she's having the most outstanding summer of her life, Tommy Sullivan arrives back in town. Why's that so bad? Because just about everyone hates Tommy for what he did four years ago. And Katie's boyfriend, Seth, has the biggest reason of all to hate him. Even being seen around Tom Sullivan would make Katie a social pariah - so falling in love with him would be like the kiss of death. But four years on, Tom is far from the "freak" he was labelled in the graffiti that still scars the gymnasium wall. In fact, he's totally HOT. Could the biggest disaster of Katie's life turn into the best thing that ever happened to her? The Princess Diaries Pan Macmillan The shocking true story of a bizarre kidnapping and the victims' re-victimization by the justice system. In March 2015, Denise Huskins and her boyfriend Aaron Quinn awoke from a sound sleep into a nightmare. Armed men bound and drugged them, then abducted Denise. Warned not to call the police or Denise would be killed. Aaron agonized about what to do. Finally he put his trust in law enforcement and dialed 911. But instead of searching for Denise, the police accused Aaron of her murder. His story, they told him, was just unbelievable. When Denise was released alive, the police turned their fire on her, dubbing her the “ real-life ‘ Gone Girl ’ ” who had faked her own kidnapping. In Victim F, Aaron and Denise recount the horrific ordeal that almost cost them everything. Like too many victims of sexual violence, they were dismissed, disbelieved, and dragged through the mud. With no one to rely on except each other, they took on the victim blaming,

harassment, misogyny, and abuse of power running rife in the criminal justice system. Their story is, in the end, a love story, but one that sheds necessary light on sexual assault and the abuse by law enforcement that all too frequently compounds crime victims ’ suffering. Perfect Princess Pan Macmillan From the #1 New York Times bestselling author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia’s gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn’t need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked “fake” wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia’s father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she’s not only ready to wed, but ready to rule as well? The Princess Diaries, Volume 7 and a Half: Sweet Sixteen Princess Penguin Meg Cabot's bestselling Princess Diaries series has delighted millions of middle grade and teen readers, and it was turned into the wildly popular Disney movies of the same name, starring Anne Hathaway and Julie Andrews. This collection contains all ten of the novels following Mia as she attempts to navigate high school, boys, and...princess training. Includes: The Princess Diaries The Princess Diaries, Volume II: Princess in the Spotlight The Princess Diaries, Volume III: Princess in Love The Princess Diaries, Volume IV: Princess in Waiting The Princess Diaries, Volume V: Princess in Pink The Princess Diaries, Volume VI: Princess in Training The Princess Diaries, Volume VII: Party Princess The Princess Diaries, Volume VIII: Princess on the Brink The Princess Diaries, Volume IX: Princess Mia The Princess Diaries, Volume X: Forever Princess The Princess Diaries, Volume III: Princess in Love Poppy Princess just want to have fun This spring, Mia's determined to have a good time, despite the fact that the student government over which she presides is suddenly broke. Fortunately (or unfortunately, depending on how you look at it) Grandm  re has an elaborate scheme to simultaneously raise money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor, not her boyfriend. It's no wonder that Michael, the love of her life, seems to think she's a psycho, or worse: not much fun. Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party? Victim F Penguin Sixteen-year-old Elizabeth Meyers is an overweight, unhappy teenager enduring a dreary suburban life when her grandmother awakes from a catatonic state and announces that the two of them must go to France and solve four magical puzzles to reach a long-lost prince from another world. Elizabeth doesn't believe this, of course. She has no intention of helping her grandmother escape the nursing home, elude the authorities, find a way to steal passports and fly to Paris. And yet Elizabeth finds herself doing exactly that. The Princess Present: A Princess Diaries Book Zondervan With her junior year ahead, Princess Mia fears the worst, especially when it comes to precalculus, but when her boyfriend Michael tells her he's leaving for a year in Japan, it's one more thing that may send her over the edge, in the latest addition The Princess Diaries, Volume VII: Party Princess HarperCollins The eighth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. At last, Mia is a junior. An upperclassperson. So why is it that everything is going so terribly wrong? What is she doing in Intro to Creative Writing? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? All this is nothing compared to the news Michael springs on her, however. Her beloved boyfriend could be leaving for Japan for a year—or more! Precalc has nothing on preparing for the worst separation ever! Turns out there is one way she might convince Michael to stay. But will she? Or won't she? No matter what, Mia seems headed for disaster. Princess on the Brink is the eighth book in the beloved, bestselling series that inspired the feature film

starring Anne Hathaway and Julie Andrews. Party Princess Pan Macmillan Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in From the Notebooks of a Middle School Princess—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandm  re and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all! Nicola and the Viscount Harper Collins Princess Mia is introduced to her Genovian subjects, and more importantly, she goes out on a date. Elizabeth's Midnight Turtleback Books I’m thrilled that my first trip back to my homeland, after years in exile, is for an assignment from the prime minister. Even better, the job's to put Princess Genevieve in her place...by cutting off her cash flow. Spoiled royals—even drop-dead gorgeous ones—don't do anything to deserve their wealth and status. Hell, they don't do anything. She's fighting me tooth and nail, of course. The only way to stop her arguing is, well, to kiss her. And I can't seem to stay away from her. Now, I see a whole different side to the princess—and not just because I've gotten her clothes off. But I was put on this assignment for a reason... There are those outside the castle who want to see the princess discredited and push their own agenda, and I may have just given them all the ammunition they need. Each book in the Sexy Misadventures of Royals series is STANDALONE: \* The Princess Problem \* Ruling the Princess Princess in the Spotlight Zondervan A breezy, funny Regency romance with an unforgettable heroine—from the bestselling author of The Princess Diaries series and many well-loved romances. Nicola Sparks has fallen in love, big time. The object of her dreams is the fabulously rich Lord Sebastian, he of the ice-blue eyes, golden hair, and full-on mastery of the dance floor. To Nicky, Lord S. is a god. But are gods always quite as perfect as they are meant to be? Nicola, sixteen and an orphan, always gets what she wants. She's ready to dive headlong into her first glittering London society season. She's also ready to dive headlong into the arms of handsome and debonair Lord Sebastian. Nicola's dream is a proposal from the viscount—a dream she's about to realize at last! So naturally, Nathaniel Sheridan's insinuations about her fianc  's flawed character annoy her mightily. But when Nicola's natural curiosity gets the best of her, she begins to piece together a few things for herself. To her great surprise, Nicola realizes she's had the wrong viscount all along . . . but is it too late to make things right? Nicola could feel Lord Sebastian's heart beating. It was the most delightful feeling in the world. Surely it meant that The God liked her. More than simply liked her—loved her even. It had to! It just had to! Ruling the Princess Entangled: Amara Katherine Paterson's remarkable Newbery Medal-winning classic about a painful sibling rivalry, and one sister's struggle to make her own way, is an honest and daring portrayal of adolescence and coming of age. A strong choice for independent reading, both for summer reading and homeschooling, as well as in the classroom, Jacob Have I Loved has been lauded as a cornerstone young adult novel and was ranked among the all-time best children's novels in a survey published by School Library Journal. "Jacob have I loved, but Esau have I hated . . ." With her grandmother's taunt, Louise knew that she, like the biblical Esau, was the despised elder twin. Caroline, her selfish younger sister, was the one everyone loved. Growing up on a tiny Chesapeake Bay island, angry Louise reveals how Caroline has robbed her of everything: her hopes for schooling, her friends, her mother, even her name. While everyone pampers Caroline, Wheeze (her sister's name for her) begins to learn the ways of the watermen and the secrets of the island, especially of old Captain Wallace, who has mysteriously returned after fifty years. The war unexpectedly gives this independent girl a chance to fulfill her dream to work on the water alongside her father. But the dream does not satisfy the woman she is becoming. Alone and unsure, Louise begins to fight her way to a place for herself outside her

sister's shadow. But in order to do that, she must first figure out who she is...
