Principles And Practice Of Infectious

I have owned every edition of Mandell et all's Principles and Practice of Infectious Disease since the first edition which was published in 1979, The first edition was a marvel in its clarity and presentation, unique among medical texts in its ability to convey accurate, up-to-date scientific, technical, and medical information on infections. This newest 8th edition is also superb and has wonderful well presented data, though the data is not quite as clearly presented or as carefully edited to ...

Principles and Practice of Infectious Diseases (8th ...

Mandell Douglas and Bennett's Principles and Practice of Infectious Diseases, 9th Edition. 2-Volume Set. Authors : John E. Bennett & Raphael Dolin & Martin J. Blaser. For four decades physicians and other healthcare providers have trusted Mandell Douglas and Bennett's Principles

and Practice of Infectious Diseases to provide expert guidance on the diagnosis and treatment of these complex disorders.

Nonetheless, Mandell, Douglas, and Bennett's Principles and Practice of Infectious Diseases, 6th Edition, is the finest medical textbook I have owned in any area of medicine during my 30-year career. It is indispensable for the practicing infectious diseases consultant and belongs in the library of every trainee in our field.
