Do you perform engagements in accordance with generally accepted government auditing standards (GAGAS) as presented in the Yellow Book? This book provides an excellent baseline of information for accountants to better understand governmental auditing foundations, ethics, general audit

standards, financial audit standards, attestation engagement standards, and fieldwork and reporting standards for performance audits. It is essential that all auditors planning and conducting audits in accordance with GAGAS understand and discern these concepts and standards in executing their responsibilities. In addition to a chapter covering the key points in a Uniform Guidance compliance audit, this book also includes content from AICPA Guide Government Auditing Standards and Single Audits related to a Uniform Guidance compliance audit, including appendixes for example auditor's reports and sampling guidance. This book will prepare you to do the following: Identify the types of engagements that are performed under Government Auditing Standards. Recognize Yellow Book requirements related to independence, peer review, and more. Identify the additional requirements for performing a financial audit under GAGAS. Recognize the additional GAGAS reporting

requirements for financial audits. Recall the requirements for performing attestation engagements and performance audits under the Yellow Book. PRINCIPLES AND PRACTICE Pearson Education India Principles of External Auditing has become established as one of the leading textbooks for students studying auditing. Striking a careful balance between theory and practice, the book describes and explains, in non-technical language, the nature of the audit function and the principles of the audit process. The book covers international auditing and accounting standards and relevant statute and case law. It explains the fundamental concepts of auditing and takes the reader through the various stages of the audit process. It also discusses topical aspects of auditing such as legal liability, audit risk, quality control, and the impact of information technology. Brenda Porter is currently visiting Professor at Exeter University and Chulalongkorn University, Bangkok.
