The emergence of new evaluation paradigms raises serious questions about how merit can be established and judged. Linking Auditing and Metaevaluation addresses this concern, introducing a strategy by which the quality of inquiry procedures and products can be assured and retrospectively assessed. Based upon the model of fiscal auditing, the technique is applicable to a variety of social scientific investigations and specifically includes non - conventional paradigms such as naturalistic evaluation. Effective regardless of the nature of the inquiry, auditing is also an excellent means of organizing data, thus promoting theorizing and identification of relationships in that data. Each section includes exercises designed both to encoura

Do you perform engagements in accordance with generally accepted government auditing standards (GAGAS) as presented in the Yellow Book? This book provides an excellent baseline of information for accountants to better understand governmental auditing foundations, ethics, general audit standards, financial audit standards, attestation engagement standards, and fieldwork and reporting standards for performance audits. It is essential that all auditors planning and conducting audits in accordance with GAGAS understand and discern these concepts and standards in executing their responsibilities. In addition to a chapter covering the key points in a Uniform Guidance compliance audit, this book also includes content from AICPA Guide Government Auditing Standards and Single Audits related to a Uniform Guidance compliance audit, including appendixes for example auditor's

reports and sampling guidance. This book will prepare you to do the following: Identify the types of engagements that are performed under Government Auditing Standards. Recognize Yellow Book requirements related to independence, peer review, and more. Identify the additional requirements for performing a financial audit under GAGAS. Recognize the additional GAGAS reporting requirements for financial audits. Recall the requirements for performing attestation engagements and performance audits under the Yellow Book.
