Principles of Macroeconomics - Robert H. Frank, Ben ...

Two well-respected writers and researchers, Bob Frank and Ben Bernanke, have shown that the less-is-more approach affords similar gains in introductory economics. Although a few other texts have paid lip service to this new approach, Frank/Bernanke is by far the best throughout, and the best executed principles text in this mold.

Economics ...

Authors Bob Frank, Ben Bernanke, and
introducing Kate Antonovics from the University
of California San Diego and Ori Heffetz from
Cornell University, present a coherent short list of
core principles in introductory economics and
reinforce them by illustrating and applying each in
numerous contexts. With engaging questions,
explanations and exercises, the authors help
students relate economic principles to a host of
everyday experiences such as going to the ATM or
purchasing airline tickets.
