Principles of Microeconomics 7th

Edition, Kindle Edition
Principles of
Microeconomics (11th
Edition) is wonderfully
written and edited, it has
lots of current events
used as examples, and
tons of illustrations. It's a
little weak on the math
(which is a plus to many
people), so it can't really
be used as a reference
later on, but it covers a
lot of material in a very
in-depth way in medium
to short length chapters.
