During the thirty years prior to the Civil War, Americans built hotels larger and more ostentatious than any in the rest of the world. These hotels were inextricably intertwined with American culture and customs but were accessible to average citizens. As Jefferson Williamson wrote in "The American Hotel" (Knopf 1930), hotels were perhaps "the most distinctively American of all our institutions for they were nourished and brought to flower solely in American soil and borrowed practically nothing from abroad". Development of hotels was stimulated by the confluence of travel, tourism and transportation. In 1869, the transcontinental railroad engendered hotels by Henry Flagler, Fred Harvey, George Pullman and Henry Plant. The Lincoln Highway and the Interstate Highway System triggered hotel development by Carl Fisher, Ellsworth Statler, Kemmons Wilson and Howard Johnson. The airplane stimulated Juan Trippe, John Bowman, Conrad Hilton, Ernest Henderson, A.M. Sonnabend and John Hammons.. My research into the lives of these great hoteliers reveals that none of them grew up in the hospitality business but became successful through their intense on-the- job experiences. My investigation has uncovered remarkable and startling true stories about these pioneers, some of whom are well-known and others who are lost in the dustbin of history.

No stranger to success, in her youth Joan was a golfing champion, excelling at most sports. But it was her voice that took her on a life-changing journey to Europe where the opulent pre-war theatres became her domain. Ever passionate, always generous, and never losing her Australian accent, Joan Hammond was an inspiring character; yet behind the scenes she faced many challenging twists of fortune. Joan's exhilarating performances introduced opera and classical song to millions of people, world-wide. She turned little-known arias into popular hits and pioneered the way for Australian artists on the world stage. When her own performing and recording days were over, she devoted herself to coaxing Australian opera into life not least through teaching young singers. Sara Hardy tells Joan's life story in all its glamour and complexity. Through interviews with family and old friends, she captures Joan's joie de vivre - that wonderful sparkle that never left her eyes.

Steve Marriott was one of the music world's most extraordinary individuals, A supremely gifted songwriter, singer and ... schemer. A vocalist from the same mould as Rod Stewart, Eric Burdon and Steve Winwood ... but arguably the greatest white soul singer of them all. Marriott never held back from anything, least of all his music, his vocals always possessed an intensity, clarity and maturity that at the time were unmatched by any other singer. His band The Small Faces were the first to be banned from Top of The Pops and were deported from Australia at gunpoint. Steve's next group Humble Pie ruled the stadiums of America but the money earned was diverted by mafia associates and he returned to the UK broke and on the run from the Taxman. In later life he struggled with schizophrenia but always continued playing - blistering gigs in front of small audiences in the pubs and clubs around London. Recently reunited with his old Humble Pie sparring partner Peter Frampton, he was on the verge of a comeback when he was tragically killed in a housefire, aged 44-years-old. A huge influence on a new generation of musicians from Paul Weller to Noel Gallagher, due to his death, Marriott has perhaps not been granted the status in Rock 'n' Roll's pantheon that he deserved. A major reassessment is long overdue. Marriott was simply one of the greatest rock stars of all time. “ An exhaustive account of the East End musical maverick, it spans his beginnings as a child prodigy, his memorable work with arch top Mods the Small Faces, and all the way through to his later work with Humble Pie, his subsequent solo career and untimely death in 1991.” Gary Crowley “ A riveting account of the singer ' s life, crammed with entertaining stories of rebellion and debauchery and insightful historical background... Compulsive reading.” The Daily Express “ One of the best books I ’ ve read about the backwaters of rock music.” The Daily Mail “ A wonderfully researched, eminently readable appreciation of the creative force behind the Small Faces and Humble Pie, who created some of the finest pop, rock ’ n ’ boogie music of his generation.” ***** Classic Rock “ All Too Beautiful traces Marriott ’ s mercurial career from his upbringing in postwar, bomb-damaged London to his cocaine-ravaged demise in a fire at his Essex home in 1991, aged 44. Revealing... sympathetic, long overdue.” **** Uncut “ Ultimately, this is a complex story of extraordinary talent, missed chances, exotic highs and frightening lows... This comprehensive biography of Steve Marriott is as close as we ’ re going to get to extracting the truth about Britain ’ s finest white-soul exponent.” ***** Record Collector “ Compelling reading.” **** Mojo Women and Poetry 1660-1750 Pearson Education
