This best-selling meditation
book for those in recovery
offers daily thoughts,
meditations, and prayers for
living a clean and sober life.
Since 1954, Twenty-Four
Hours a Day has become a
stable force in the recovery
of many alcoholics

throughout the world. With
over six and a half million
copies in print (the original
text has been revised), this
"little black book" offers daily
thoughts, meditations, and
prayers for living a clean and
sober life. A spiritual resource
with practical applications to
fit our daily lives. "For
yesterday is but a dream, and
tomorrow is only a vision" is
part of the Sanskrit proverb
quoted at the beginning of
the book which has become
one of the basic building
blocks for a life of sobriety. In
addition to a thought,

meditation and prayer for each day of the year, this handy, pocket-sized volume also contains the Serenity Prayer and the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. It is a simple, yet effective way to help us relate the Twelve Steps to everyday life and helps us find the power not to take that first drink each day.

I thought it would
be a boring small
budget phone, but I
was wrong... The
iPhone SE 2020 is
the smallest,
fastest, and
cheapest iPhone
we've seen for a
while now. Apple's
most affordable
iPhone has finally
been updated to the
new Apple iPhone SE
2020. Unofficially,
SE means special
edition, and this

phone is indeed
impressive. It's
loaded with so many
useful features, to
a point where your
jaw might drop. In
this book, I talk
about the phone's
hidden features,
comfort, design and
screen quality,
performance, camera
image quality, and
battery life, and
more! With this
book, you'll learn:
Why the iPhone SE
2020 is essentially

the classic Apple product. Why everything about this phone feels fluid. Why the iPhone SE 2020 feels like a new iPhone 11 Pro inside the iPhone 8 body. Secret techniques, tips, and tricks to use and improve your iPhone SE 2020 seamlessly. Do you want to know how to: Clean your iPhone the correct

way? Switch mobile data and Bluetooth on or off in an instant? Access airplane mode quickly? Check network connection strength? Turn data roaming on or off? Turn Wi-Fi Assist on or off? Use the Control Center for quick access to frequently used settings? Force close non-responding apps? Turn on Low Data

Mode to help apps reduce their network data use? Reset your voicemail password? Stop unwanted pop-ups in your browser? Troubleshoot apps for smooth running? Then get this book to solve these and more... It's never been easier to get into the iPhone and the Apple ecosystem with the iPhone SE 2020. If you're new

to the iPhone or want to brush up on your skills, GET THIS BOOK TO MASTER THE ART OF THE IPHONE SE 2020.

After many speculations and wild guesses, the iPhone 11, which is the newest entry to the Apple iPhone family, is

officially available. HURRAY!
The device was introduced together with the iPhone 11 Pro and iPhone 11 Max to replace Apple's phased-out iPhone XR, XS and XS Max models. These latest iPhone devices came configured with the iOS software that was released in September 2019. The iPhone 11 looks stunning in videos but look even better physically. Have you recently acquired an iPhone 11? Are you searching for a detailed user guide to help you configure your new iPhone phone and understand it? Are you searching for a manual to uncover all of your latest device's great features? Are

you curious to know what to do after unboxing it and undergoing the initial setup phase? Okay, this book is for you! The contents of this book are in clear and concise words, with a detailed approach to help you understand your device as quickly as possible. A look at this guide will teach you the following: How to Activate and Configure Your iPhone How to Add Password: Set Up Screen Lock How to Change the Auto-Lock (Screen Timeout) Time How to Insert Sim Card Properly How to Configure and Use Face ID to Unlock Your iPhone How to Turn "Tap to Wake" and "Raise to Wake" On and Off How to

Block and Unblock a Number
How to Make a Phone Call
How to Setup Call forwarding
How to Make Conference Call
How to Navigate Your iPhone with Voice Control
How to Find Your iPhone if Misplaced or Stolen ...and many more topics. Get this book to provide answers to all your questions about your new device. Hit the Buy Now button to get this book and enjoy doing more with your iPhone.

A Complete Guide to Using the iPhone 12 Pro Camera
The best camera for the job is the one you have in your hands when there is an

opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera
The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. The question then becomes, are you making the most of that powerful tool in your pocket? Do the photos you take seem to be from an amateur because of how blurry they look, and very different from the kind of picture you had in mind to take? If this is you and you

want to be able to take incredible pictures with your iPhone, then this book is for you. At the end of this book, you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions. You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look, as you create jaw-dropping landscapes, food, and travel photos of the events you are involved in. The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of

some of these features on the iPhone and how they affect the quality of the pictures taken with it. In no time after you start using this book, you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills. Some contents to expect to see in this book include:

- How to create animojis and even share memoji with other types of phone users
- How to take stunning pictures for your social media platforms
- How to take stunning pictures with the

portrait mode and lots more

With this book in your hands, you can move from being just a mediocre basic iPhone user to an iPhone photography specialist. It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions. If what you want is a go-to guide on matters surrounding just iPhone photography, then this is a great reference guide for you, very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics. Not only that, but you can also order this book as a gift for a friend, son, daughter,

or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. Click the “Add to Cart” to purchase on your closeout or click the “Buy Now” to purchase at least one copy now. PUBLISHER: TEKTIME

your device's battery in good shape for a long time. 4. How to deal with unwelcome phone calls 5. The unbelievable thing the back of the iPhone 12 could do for you. 6. How to use 5G to your full advantage 7. How to rearrange and customize your home screen to your taste and many more. With this guide, maneuvering the iPhone 12 becomes easy peasy! What are you waiting for? Do grab a copy today!
A Complete Guide for Beginners and Seniors to Master the iPhone 12 Mini
Charles Jesuseyitan Adebola
iOS 5 has hit the stage, and eager users everywhere are getting ready to upgrade their

devices. If you're concerned about the upgrade process, or simply want to know all your setup options before making the big switch, let the editors at Macworld help you upgrade your iPhone, iPod touch, or iPad with this step-by-step guide. Want to upgrade to iOS 5? We lay out which devices will run Apple's newest mobile OS, and how to download and install it. Once you've gotten the software on your iPhone, iPod touch, or iPad, we'll walk you through its marquee features: Master new multitasking gestures on the iPad 2 and explore Notification Center; play with Apple's three new apps, Reminders,

Messages, and Newsstand; learn about improvements to Safari, Mail, Camera, Photos, and Game Center; check out the smaller tweaks made to Maps, Calendar, Music, Videos, FaceTime, Weather, and Stocks; and discover what's been done under-the-hood in regards to Twitter integration, new typing tricks, AirPlay mirroring, and Accessibility. If you're confused about Apple's new sync service, iCloud, never fear: Our iOS 5 Upgrade Guide also offers a rundown of the service and each of its features, as well as a step-by-step guide for setting it up on your device. And for those who wish to

untether their iOS device from their computer, the guide explains how to take advantage of iOS 5's Wi-Fi Sync and eliminate cord-based backup and information transfer.
