The paper bead template has been designed specifically for

decorating with rubber stamping. Instead of tapering to a point, there is a small strip that is just wide enough to display some rubber stamping. By varying the size and shape of the paper, very different bead designs can be created.

15 Best Paper Beads Template That Easy To Get Started
Paper Bead Templates speed up the paper bead making process if you are a crafter who likes to create your own bead strips. If you are fed up with measuring and drawing out triangles - the paper bead templates in this kit will be perfect for you. And the two paper bead rolling tools that come with the kit save you even more time because they are easy to use; when used properly, the tools will result in paper beads that are firmly wound and come off the shaft of the tool with ease.
