Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dollys and Friends are modern fashion dolls. Still, most of their

wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes.

Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dolls and Friends Originals Books you will get will be wearable by these Original Dolls.

Collecting these paper dolls and sharing them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations .

Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.

Back in the Fall of 2001, Klutz created The Fabulous Book of Paper Dolls, and it's a good thing

we did. Almost 800,000 copies later, we are happy to say we have given it a brand-new face without messing with the time-tested content. These paper people wear their clothes with the help of reusable, press-on, peel-off adhesive dots -- no tabs! The dolls, clothes, and accessories are perforated, ready to pop right out and play. Six reversible paper dolls in a variety of skin tones come with the book. Half of them have pre-printed faces, and the other half are ready to be customized. There are bunches of reversible clothes, shoes, and hairstyles that make exactly one jillion different combinations. (We counted.) Of course, any fashion expert will tell you that accessories are the key to snappy dressing, so we've provided plenty of them, from hats to sunglasses to soccer balls to tiaras. To round out the family, three baby paper dolls and a few paper pets are also included.

Artists from around the globe were commissioned to create six beautifully illustrated backdrop scenes. Prop open the book to one, and your dolls are transported to a beach, ballroom, theatrical stage, neighborhood park, winter wonderland, or only-slightly-messy kids' bedroom. In the back of the book is a nifty portfolio-pocket armoire, providing plenty of wrinkle-free storage for the dolls, clothes, and accessories after they've been punched out. The Fabulous Book of Paper Dolls is a fabulous introduction to a classic activity -- now freshened up for a whole new generation.
