Among the best-loved books of all time, Louise May Alcott's *Little Women* has appealed to generations of readers. This charming paper doll collection recreates all four of the genial title characters featured in that literary classic. Here in full color are practical Meg, tomboyish Jo, gentle Beth, and curly-haired Amy. The four dolls can be dressed in 16 different mid-Victorian outfits—all based on scenes from the popular novel. Included are costumes for the celebrated Christmas play; practical daytime wear consisting of capes, shawls, aprons, and dresses; and a bridal dress trimmed with ruffles and lace for Meg's wedding. A delight for collectors and paper doll fans of all ages, this

wonderful collection will also thrill readers who still have warm memories of Alcott's timeless tale.

Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls Dollys and Friends. You can begin creating your

collection of paper dolls with this book which has 3 paper dolls and more than 40 outfits in 1990s styles of fashion. This book is a perfect gift for fashion historians, fashion enthusiasts, costume history lovers, paper doll collectors or anyone interested in 1990s. Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down

to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dollys and Friends

are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dollys and Friends Originals Books you will get will be wearable by these Original Dollys. Collecting these paper dolls and sharing them with children can also

make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations . Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.

Back in the Fall of 2001, Klutz created The Fabulous Book of Paper Dolls, and it's a good thing we did. Almost 800,000 copies later, we are happy to say we have given it a brand-new face without messing with the time-tested content. These paper people wear their clothes with the help of reusable, press-on, peel-off adhesive dots -- no tabs! The dolls, clothes, and accessories are perforated, ready to pop right out and play. Six reversible paper dolls in a variety of skin tones come with the book. Half of them have pre-printed faces, and the other half are ready to be customized. There are bunches of reversible clothes, shoes, and hairstyles that make exactly one jillion different combinations. (We counted.) Of course, any fashion expert will tell you that accessories are the key to snappy dressing, so we've provided plenty of them, from hats to sunglasses to soccer balls to tiaras. To round out the family,

three baby paper dolls and a few paper pets are also included. Artists from around the globe were commissioned to create six beautifully illustrated backdrop scenes. Prop open the book to one, and your dolls are transported to a beach, ballroom, theatrical stage, neighborhood park, winter wonderland, or only-slightly-messy kids' bedroom. In the back of the book is a nifty portfolio-pocket armoire, providing plenty of wrinkle-free storage for the dolls, clothes, and accessories after they've been punched out. The Fabulous Book of Paper Dolls is a fabulous introduction to a classic activity -- now freshened up for a whole new generation.

Spanning three generations, an American colonial family of eight

is shown in period attire in a variety of situations as they live out the drama of the American Revolution and its aftermath. The 32 authentic costumes are further enhanced by Tom Tierney's well-researched and scrupulously accurate text.

Together they offer fashion and costume historians a precise, full-color view of prevailing fashions and trends of the late eighteenth century. Paper doll enthusiasts of all ages will delight in these finely rendered figures in typical Colonial raiment, while aficionados of Americana will follow with rapt attention this sartorial record of one family's progress through pre- and post-Revolution to a final frontier expedition.

Turn back the clock to the 1970s, to a brief, beautiful period in fashion history when nostalgia ruled London fashion. Popular paper doll artist Brenda Sneathen Mattox captures this look just as it was worn by two typical London dolly birds. A cheeky dialogue accompanies the outfits for Felicity Greenwood, production assistant on the British TV show, Top of the Pops, and Polly Morgan, department manager at London's trendiest store, Biba. The super-trendy pair chat about their lives and love of fashion as they shop and try-on 16 nostalgic looks inspired by the Art Nouveau and Art Deco revival of the 1970s.

Includes essay by acclaimed trend forecaster and fashion expert David Wolfe and cheeky dialogue by Prof. Amanda Hallay.

Paper dolls might seem
the height of
simplicity--quaint but simple
toys, nothing more. But
through the centuries paper
figures have reflected
religious and political beliefs,
notions of woman hood,
motherhood and family, the
dictates of fashion,
approaches to education,
individual self-image and self-

death. This book examines
paper dolls and their

these ephemeral objects have
an enduring and sometimes
surprising presence in history
and culture.
