In *The Coming Man from Canton* Christopher W. Merritt mines the historical and archaeological record of the Chinese

immigrant experience in Montana to explore new questions and perspectives. During the 1860s Chinese immigrants arrived by the thousands, moving into the Rocky Mountain West and tenaciously searching for prosperity in the face of resistance, restriction, racism, and armed hostility from virtually every ethnic group in American society. As second-class citizens, Chinese immigrants remained largely insular and formed their own internal governments as well as labor and trade networks, typically establishing communities apart from the main towns. Chinese miners, launderers, restaurant keepers, gardeners, railroad laborers, and other workers became a separate but integral part of the American experience in the Intermountain West. Although Chinese immigrants constituted more than 10 percent of the Montana Territory's total population by 1870, the historical records provide a biased and narrow perspective, as they were generally written by European American community members. Merritt uses the statewide Montana context to show the diversity of Chinese settlements that has often been neglected by archival studies. His research highlights how the legacy of the Chinese in Montana is, or is not, reflected in modern Montana identity and how scholars, educators, professionals, and the public can alter the existing perception of this population as the "other" and perceive it instead an integral part of Montana's past.

It might surprise you who's a fan of poetry — when it meets them where they are. Before he became an award-winning writer and poet, Brian Sonia-Wallace set up a typewriter on the street with a sign that said "Poetry Store" and discovered something surprising: all over America, people want poems.

An amateur busker at first, Brian asked countless strangers, "What do you need a poem about?" To his surprise, passersby opened up to share their deepest yearnings, loves, and heartbreaks. Hundreds of them. Then thousands. Around the nation, Brian's poetry crusade drew countless converts from all walks of life. In *The Poetry of Strangers*, Brian tells the story of his cross-country journey in a series of heartfelt and insightful essays. From Minnesota to Tennessee, California to North Dakota, Brian discovered that people aren't so afraid of poetry when it's telling their stories. In "dying" towns flourish vibrant artistic spirits and fascinating American characters who often pass under the radar, from the Mall of America's mall walkers to retirees on Amtrak to self-proclaimed witches in Salem. In a time of unprecedented loneliness and isolation, Brian's journey shows how art can be a vital bridge to community in surprising places. Conventional wisdom says Americans don't want to talk to each other, but according to this poet-for-hire, everyone is just dying to be heard. Thought-provoking, moving, and eye-opening, *The Poetry of Strangers* is an unforgettable portrait of America told through the hidden longings of one person at a time, by one of our most important voices today. The fault lines and conflicts which divide us fall away when we remember to look, in every stranger, for poetry.

The explosive first entry in the bestselling, critically-acclaimed, optioned-for-film *Mystery & Thriller* series. When a United States diplomat disappears in front of hundreds of onlookers while attending a religious ceremony in Zimbabwe, Diplomatic Security special agent Dominic Grey, product of a violent childhood and a

worn passport, is assigned to investigate. Aiding the investigation is Professor of Religious Phenomenology Viktor Radek, as well as Nya Mashumba, the local government liaison. What Grey uncovers is a terrifying cult older than Western civilization, the harsh underbelly of a country in despair, a priest seemingly able to perform impossibilities, and the identity of the newest target. Himself...

In this culminating work of a long and distinguished career, historian Bertram Wyatt-Brown looks at the theme of honor—a subject on which he was the acknowledged expert—and places it in a broader historical and cultural context than ever before. Wyatt-Brown begins with the contention that honor cannot be understood without considering the role of humiliation, which not only sets victor apart from vanquished but drives the search for vindication that is integral to notions of honor. The American conception of honor is further deepened by issues of race. The author turns to the slave South to show how white and black concepts of honor differed from and contradicted each other, illuminating honor's elusive but powerful role in our society. He then goes on to explore these themes within a wide range of military and political contexts, from the Revolutionary War to Desert Storm, providing new insights on how honor drove decision making during many defining events in our history that continue to reverberate in the American mind.

The Summoner JHU Press

V. 1. "This gorgeous book, the first of a four-volume definitive catalogue, features Chase's stunning paintings in pastel, which constitute a major and previously understudied body of work by the artist; monotypes; painted tiles and plates; watercolors; and prints. Reconstructing Chase's oeuvre is a daunting task, as the artist left few records of any kind, and no documentation of his individual works exists. Furthermore, Chase's paintings and pastels have been forged in great numbers throughout the years, and many of these works still surface on the art market. Making this long-awaited volume even more valuable is a list of every known exhibition of Chase's work during the artist's lifetime, selected examples of major post-1917 exhibitions, and an essay on Chase's innovative pastel technique"--Jacket.

The Coming Man from Canton HarperCollins

12 Lectures, Leipzig, September 2-14, 1908 (CW 106)

Rudolf Steiner emphasizes the astonishing and special relationship between our own time and that of ancient Egypt--how, in the natural rhythm of the ages, the so-called third post-Atlantian (Egyptian) epoch is mirrored by the fifth (present) epoch. In this sense, today it is especially relevant to look at ancient Egypt with fresh eyes. The evolution of Western civilization has been profoundly influenced by Egyptian myths through the

Greek mysteries. Because of other influences, however, this heritage has degenerated; thinking has mummified and and myth has all but disappeared. Consequently, it is important to revive the seed of goodness passed down to us from ancient Egypt. Through true imagination, it is our task to renew human knowledge related to the creative forces in nature, which the Egyptians attempted through the Osiris-Isis myth, and the Greeks through the myth of Demeter. This is what Rudolf Steiner attempts in this lecture cycle. Steiner's subjects include: experiences of Egyptian initiations; esoteric anatomy and physiology; the stages of evolution of the human form; and much more. The final lecture is on the Christ impulse as the conqueror of matter. This volume is a translation from German of «Ägyptische Mythen und Mysterien im Verhältnis zu den wirkenden Geisteskräften der Gegenwart» (GA 106). C O N T E N T S Lecture 1. Spiritual connections between the culture streams of ancient and modern times Lecture 2. The reflection of cosmic events in the religious view of human beings Lecture 3. The old initiation centers; the human form as a subject of meditation Lecture 4. Experiences of initiation; the mysteries of planets; descent of the primeval world Lecture 5. The genesis of the trinity of Sun, Moon, and Earth; Osiris and Typhon Lecture 6. The influence of Osiris and Isis; facts of occult anatomy and physiology Lecture 7. Evolution in the human organism up to the Moon's departure Lecture 8. States of evolution in the human form; the four human types Lecture 9. Influence of the Sun and Moon spirits and the Isis and Osiris forces Lecture 10. Ancient myths as images of cosmic facts; dimming of spiritual consciousness Lecture 11. Ancient Egyptian doctrine of evolution; cosmic view of the organs Lecture 12. The Christ impulse as conqueror of matter

The Second Machine Age: Work, Progress, and Prosperity in a Time of Brilliant Technologies Rowman & Littlefield

When Beth LaMonte rents a cottage on the coast of Maine, she wants only to withdraw and paint, but a silent ball of light hovering in the forest beckons her on a nightly basis. Hesitantly, Beth follows it one evening. It leads her to a secret beach and the diary of a girl who disappeared in 1975. Firefly Beach Lulu.com

After decades of stability from the 1920s to the early 1970s, the rate of imprisonment in the United States has increased fivefold during the last four decades. The U.S. penal population of 2.2 million adults is by far the largest in the world. Just under one-quarter of the world's prisoners are held in American prisons. The U.S. rate of incarceration, with nearly 1 out of every 100 adults in prison or jail, is 5 to 10 times higher than the rates in Western Europe and other democracies. The U.S. prison population is largely drawn from the most disadvantaged part of the nation's population: mostly men under age 40, disproportionately minority, and poorly educated. Prisoners often carry additional deficits of drug and alcohol addictions, mental and physical illnesses, and lack of work preparation or experience. The growth of incarceration in the United States during four decades has prompted numerous critiques and a growing body of scientific knowledge about what prompted the rise and what its consequences have been for the people imprisoned, their families and communities, and for U.S. society. The Growth of Incarceration in the United States examines research and analysis of the dramatic rise of incarceration rates and its affects. This study makes the case that the United States has gone far past the point where the numbers of people in prison can be justified by social benefits and has reached a level where these high rates of incarceration themselves constitute a source of injustice and social harm. The Growth of Incarceration in the United States examines policy changes that created an increasingly punitive political climate and offers specific policy advice in sentencing policy, prison policy, and social policy. The report also identifies important research questions that must be answered to provide a firmer basis for policy. This report is a call for change in the way society views criminals, punishment, and prison. This landmark study assesses the evidence and its implications for public policy to inform an extensive and thoughtful public debate about and reconsideration of policies.

Adult Literacy in America William Morrow & Company

For over forty years in more than sixty countries, Raymond

Baker has witnessed the free-market system operating illicitly and corruptly, with devastating consequences. In *Capitalism's Achilles Heel*, Baker takes readers on a fascinating journey through the global free-market system and reveals how dirty money, poverty, and inequality are inextricably intertwined. Readers will discover how small illicit transactions lead to massive illegalities and how staggering global income disparities are worsened by the illegalities that permeate international capitalism. Drawing on his experiences, Baker shows how Western banks and businesses use secret transactions and ignore laws while handling some \$1 trillion in illicit proceeds each year. He also illustrates how businesspeople, criminals, and kleptocrats perfect the same techniques to shift funds and how these tactics negatively affect individuals, institutions, and countries.

Harlequin

Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

The Growth of Incarceration in the United States
Routledge

Aaron W. Marrs challenges the accepted understanding of economic and industrial growth in antebellum America with this original study of the history of the railroad in the Old South. Drawing from both familiar and overlooked sources, such as the personal diaries of Southern travelers, papers and letters from civil engineers, corporate records, and contemporary newspaper accounts, Marrs skillfully expands on the conventional business histories that have characterized scholarship in

this field. He situates railroads in the fullness of antebellum life, examining how slavery, technology, labor, social convention, and the environment shaped their evolution. Far from seeing the Old South as backward and premodern, Marrs finds evidence of urban life, industry, and entrepreneurship throughout the region. But these signs of progress existed alongside efforts to preserve traditional ways of life. Railroads exemplified Southerners' pursuit of progress on their own terms: developing modern transportation while retaining a conservative social order. *Railroads in the Old South* demonstrates that a simple approach to the Old South fails to do justice to its complexity and contradictions. -- Dr. Owen Brown and Dr. Gale E. Gibson

Unbelievable Sourcebooks, Inc.

In this novel, based on his Ph.D Dissertation at Columbia University, the author reveals his talent for storytelling and provides a striking account of Hitler's persecution of Polish Jews all the way to Central America, and how they fought against his plans for their destruction. The novel also reveals these immigrant's internal struggles for their personal liberation with regard to women's and gay rights, both in Germany, Poland, and Central America. It deals, for the first time, on issues of the 1930's and 40's, which no one had unearthed before, specially those relating to Nazi war efforts to take control over the Panama Canal. A must read for both its academic and riveting narrative.

Literacy Behind Prison Walls SteinerBooks

Sigrid and Suko are two girls from the impoverished and crime-infested streets of 24th century Earth. Sold into slavery to save their families from financial ruin, the girls are forced to live out their lives in service to the Kimura Corporation, a prestigious mercenary clan with a lineage stretching back long before the formation of the Federated Corporations. Known only to Kimura, the two girls share startling secret--a rare genetic structure not found in tens of millions of other girls. But when their secret becomes known, Sigrid and Suko quickly find themselves at the center of a struggle for power. Now, hunted by men who would seek to control them, Sigrid and Suko are forced to fight for their own survival, and for the freedom of the girls from Alcyone.

Catching Jordan Minotaur Books

When I wake up in the middle of the night, it's not a sound that disturbs me. It's a feeling. Silently, I creep to my daughter's room, breathing a sigh of relief when I see her sleeping, her night-light twirling, butterfly shapes moving their pink wings. Quickly, I lock the door. I won't let anything happen to my little girl. You tell him everything. The husband you adore, the father of your child, your best friend. He knows, just by looking at your sage-green eyes, when something is wrong. The two of you can communicate with a glance, or a touch of the hand. Except what if you can't? What if your happy marriage has plastered over one huge lie? A lie you have even started to believe yourself, in order to survive? What if you have a secret, something you have hidden from your beloved husband and your strawberry-scented baby girl, to keep them safe? What if the guilt has kept you up, night after night, for as long as you can remember? Because, after twenty-eight years, that secret is refusing to stay buried. The past you have tried so desperately to outrun is catching up with you. A faded photograph, torn in half, threatens to expose the truth and everyone you love, everything you cherish, is in harm's way... An emotional, thought-provoking and beautifully written novel which examines the pieces of ourselves we are afraid of, and the impossible decisions we make when we are desperate. Fans of Jodi Picoult, Kerry Fisher and Liane Moriarty will be moved by this heartbreaking tale. Readers absolutely love *The Life She Left Behind*: 'Oh my... This was literally "un-put-downable"... This was not a book I could read chapter by chapter and take breaks in between, I NEEDED to keep going!... I know I will be thinking about this story for days... Amazing.' NetGalley Reviewer, ?????? 'What a fantastic book!! I absolutely loved it, and it is hands down the best book I've read this year so far... Amazing... I couldn't recommend it more highly. Now I'm off to buy several more of Trope's books to get stuck in to.' My Little Bookcase, ?????? 'Wow oh wow, what an

absolutely gorgeous read. I devoured this beautiful book in just over an hour... I adored the writing style in this one, the author writes elegantly and in a way that just pulls you into the pages. I cannot say anything negative about this book, I have been truly engrossed and shocked by how quickly I read this one. I didn't want to put it down. This is definitely a beautiful read by a very talented author.' Goodreads Reviewer, ?????? 'Loved this book! Very emotional! Read it in 1 sitting!' Reading through the Looking Glass, ?????? 'A highly emotional read that had me hooked from the start. This is another fantastic book by Nicole Trope!' Goodreads Reviewer, ?????? 'Once I started this book, I couldn't put it down. It was that good. It was definitely emotional, and left me guessing until the end.' The One Where She Blogs, ?????? 'Page 1, I was hooked and couldn't put the book down... So enthralling.' Goodreads Reviewer, ?????? 'Loved it!... This is my third book by this author and they have all struck gold!... As soon as I picked it up, everything around me faded to grey... The author is a great storyteller and she enchanted me.' B for Bookreview, ?????? '5 stars! Nicole Trope continues to be one of my favourite authors! While her books aren't often easy to read due to their content, I'm always left amazed at her ability to tell a story so well... Very gripping and I found myself race through it. I think this one will stay with me for a while.' Goodreads Reviewer, ?????? 'Superbly written... Well worthy of 5 stars.' Goodreads Reviewer, ?????? 'Wow what an emotional book a rollercoaster of emotions... Definitely my number one book of the year.' NetGalley Reviewer, ??????
