offer. The interactions Hypernomics describes have been with us since the dawn of humanity. Now you can finally see them and enjoy the advantages your competitors do not have. Validated by 13 published papers, multiple awards, a patent, and customers such as NASA, Lockheed Martin, Virgin Galactic, and a restaurant down the street, only Hypernomics gives you the ability to solve problems as varied as How could a restaurant increase revenue by 25% by rearranging seating? How do you find, describe, and capitalize on open spaces in your market? What happens when an NFL player decreases his forty-yard dash time by a quarter of a second?
