Private Eye John Wiley & Sons
Offers progressive readers new and reinvigorated paths of engaged hope, imagination and public involvement.
Prince Hearst Books

Collectively, my essays create a self portrait of me with Bob Robinson, the defining influence of my life, and the lives of our children Shirley Lalia, Elizabeth Smith, Susan Threat, Mary Catherine, Phillip Rease, and their children. They know, through Bobs book, Doctor Robinson, and his genealogy research, that one must understand her/his roots to know how the past affects their futures. Through my writing, they will understand more about the people and events that have shaped my lifeinfluences that will also be felt far into the future of Robinson descendants.

Accounts and Papers St. Martin's Press
Libby is a politician's daughter maturing amidst barely sublimated violence, sexuality, and corruption. Her tangled emotions about her father and the roil of sexual and social politics surrounding her are brought into relief when she receives a shocking anonymous letter. Horrified but fascinated, Libby works to discover the identity and the motivation of the sender while struggling to interpret the layers of deceit and manipulation enveloping her.
Norman Rockwell: 332 Magazine Covers Rowman & Littlefield

“ Burlesque is the background . . . [and] the background is perfect. Recommended for the readers who feel better when their eyebrows are raised. ” —The New Yorker
A mystery set in the underworld of burlesque theater, *The G-String Murders* was penned in 1941 by the legendary queen of the stripteasers—the witty and wisecracking Gypsy Rose Lee. Narrating a twisted tale of a backstage double murder, Lee provides a fascinating look behind the scenes of burlesque, richly populated by the likes of strippers Lolita LaVerne and Gee Gee Graham, comic Biff Brannigan and Siggie the g-string salesman. This is a world where women struggle to earn a living performing bumps and grinds, have gangster boyfriends, sip beer between acts and pay their own way at dinner. *Femmes Fatales* restores to print the best of women ’ s writing in the classic pulp genres of the mid-20th century. From mystery to hard-boiled noir to taboo lesbian romance, these rediscovered queens of pulp offer subversive perspectives on a turbulent era. Enjoy the series: *Bedelia*; *Bunny Lake Is Missing*; *By Cecile*; *The G-String Murders*; *The Girls in 3-B*; *Laura*; *The Man Who Loved His Wife*; *Mother Finds a Body*; *Now, Voyager*; *Return to Lesbos*; *Skyscraper*; *Stranger on Lesbos*; *Stella Dallas*; *Women ’ s Barracks*. “ [Lee ’ s] novel is a rich and lusty job, brimming over with infectious vitality and a hilarious jargon of her own. ” —Life “ A lurid, witty and highly competent detective story . . . Rich show business vocabulary and stage door gags make her book almost a social document . . . *The G-String Murders* builds up to a hair-raising climax. ” —Time

Createspace Independent Publishing Platform
Despite efforts of contemporary reformers to curb the availability of dime novels, series books, and paperbacks, *Pioneers, Passionate Ladies, and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self-empowerment. These literary genres, whose value has long been underestimated, provide fascinating insight into the formation of American popular culture and identity. Through these mass-produced, widely read books, *Deadwood Dick*, *Old Sleuth*, and *Jessie James* became popular heroes that fed the public’s imagination for the last western frontier, detective tales, and the myth of the outlaw. Women, particularly those who were poor and endured hard lives, used the literature as means of escape from the social, economic, and cultural suppression they experienced in the nineteenth century. In addition to the insight this book provides into texts such as “*The Bride of the Tomb*,” the *Nick Carter Series*, and Edward Stratemeyer’s rendition of the *Lizzie Borden* case, readers will find interesting information about: the roles of illustrations and covers in consumer culture
Bowling Green’s endeavor to digitize paperback and pulp magazine covers
bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls
Louisa May Alcott’s pseudonym and authorship of three dime novels
special collections competition among publishers
A collection of work presented at a symposium held by the Library of Congress, *Pioneers, Passionate Ladies, and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life.

News for Farmer Cooperatives WW Norton
Vintage VOGUE magazine covers featuring fashion artists & illustrators rather than the live, impossibly thin models which we expect to see. I've chosen 32 vintage Vogue cover images on a single sided pages so you'll not have to choose which side to color. I've included Vogue covers published between 1893 - 1922. Relax . . . breathe in the nostalgia & evocative images from a more slowly paced lifestyle portrayed in this vintage, grayscale coloring book. Grayscale images are particularly lovely when using colored pencils. Layer your colors. If you have only ONE red pencil, you can create many shades of red by using a blue, orange, purple underlay/overlay. You can soften colors using artist pastels. [One colorist mentioned she'd used face powder to help with skin tones!] If you choose gel pens, felt tips, or other more 'liquid' mediums, please put a piece of cardstock or other paper behind your color work to catch any possible 'bleed through'. On the back of each coloring page there is information

about the image you are coloring. You may want to cut out the pages to get a more open space to color. Go ahead! Frame your art! Put it on your walls or give as a gift. It's ART!! Please check the last page for more information, a kind of bibliography, regarding this book. ENJOY!

Pulp Art John Wiley & Sons
For many of us, it's where we spend more time and expend greater effort than anywhere else. Yet how many of us have stopped to think about why? In *The Office: A Hardworking History*, Gideon Haigh traces from origins among merchants and monks to the gleaming glass towers of New York and the space age sweatshops of Silicon Valley, finding an extraordinary legacy of invention and ingenuity, shaped by the telephone, the typewriter, the elevator, the email, the copier, the cubicle, the personal computer, the personal digital assistant. Amid the formality, restraint and order of office life, too, he discovers a world teeming with dramas great and small, of boredom, betrayal, distraction, discrimination, leisure and lust, meeting along the way such archetypes as the Whitehall mandarin, the Wall Street banker, the Dickensian clerk, the Japanese salaryman, the French bureaucrat and the Soviet official. In doing so, Haigh taps a rich lode of art and cinema, fiction and folklore, visiting the workplaces imagined by Hawthorne and Heller, Kafka and Kurosawa, Balzac and Wilder, and visualised from Mary Tyler Moore to *Mad Men*, from *Network* to *9 to 5* plus, of course, *The Office*. Far from simply being a place we visit to earn a living, the office emerges as a way of seeing the entire world.

Norman Rockwell's best-loved works, collected in a handsome clothbound volume Norman Rockwell gave us a picture of America that was familiar—astonishingly so—and at the same time unique, because only he could bring it to life with such authority. Rockwell best expressed this vision of America in his justly famous cover illustrations for the *Saturday Evening Post*, painted between 1916 and 1963. All of his *Post* covers are reproduced in splendid full color in this oversized volume, with commentaries by Christopher Finch, the noted writer on art and popular culture.

Private Parts Cassell
Uncovered is an oral history of the stories behind the most ground-breaking and controversial magazine covers ever published, as told by the people who created them. Compiled by industry veteran Ian Birch, *Uncovered* gathers together the insights of the magazine world's most important figures, including high-profile editors, creative directors, photographers, artists and cover stars. Featuring compelling and shocking covers from *Vogue*, *Life*, *Esquire*, *The New Yorker*, *i-D*, *The Face*, *Private Eye*, *Time*, *Rolling Stone* and many more, covering issues as varied as the civil rights movement and Vietnam war to the Trump presidency and Brexit debate, this is a unique social document celebrating and chronicling the art of magazine design.

United States Code Annotated Northwestern University Press
Imagine all you'd like to accomplish with your philanthropy. Now picture a large portion of your resources never reaching their intended use due to poor strategies, mismanagement, or unnecessary taxes. Today the opportunities in the philanthropic sector are greater and more varied than ever. Private foundations, which offer several estate and tax-planning advantages as well as unparalleled donor control, have become the vehicle of choice for more than sixty thousand individuals and families--and may be ideal for you. Creating a Private Foundation introduces the issues you need to understand and gives the big picture on how foundations work. It tells you exactly what is involved for you, for the causes you care about, for your finances and taxes, and for your heirs. Chapters address the practicalities as well as the implications of founding, funding, organizing, and operating an effective foundation, including growing its endowment, allocating its assets, and selecting professional foundation management help. Roger Silk, James Lintott, and their colleagues, leaders in the foundation consulting arena, have pooled their wisdom in this comprehensive guide for donors and your advisers. If you're looking to make a difference, there is no better guide.

The Handbook of Magazine Studies Y Lolfa
A scholarly work examining the continuing evolution of the magazine—part of the popular *Handbooks in Media and Communication* series *The Handbook of Magazine Studies* is a wide-ranging study of the ways in which the political economy of magazines has dramatically shifted in recent years—and continues to do so at a rapid pace. Essays from emerging and established scholars explore the cultural function of magazine media in light of significant changes in content delivery, format, and audience. This volume integrates academic examination with pragmatic discussion to explore contemporary organizational practices, content, and cultural impact. Offering original research and fresh insights, thirty-six chapters provide a truly global perspective on the conceptual and historical foundations of magazines, their organizational cultures and narrative strategies, and their influences on society, identities, and lifestyle. The text

addresses topics such as the role of advocacy in shaping and changing magazine identities, magazines and advertising in the digital age, gender and sexuality in magazines, and global magazine markets. Useful to scholars and educators alike, this book: Discusses media theory, academic research, and real-world organizational dynamics Presents essays from both emerging and established scholars in disciplines such as art, geography, and women’s studies Features in-depth case studies of magazines in international, national, and regional contexts Explores issues surrounding race, ethnicity, activism, and resistance Whether used as a reference, a supplementary text, or as a catalyst to spark new research, The Handbook of Magazine Studies is a valuable resource for students, educators, and scholars in fields of mass media, communication, and journalism.

The Poet and the Private Eye Black Dog Publishing
Featuring a foreword by Beyoncé Knowles-Carter. When Prince wanted to document his One Nite Alone tour in 2002, he turned to Afshin Shahidi. Again in 2004, he went along on Prince’s record breaking Musicology Tour. Afshin met Prince in 1989 and became his cinematographer and later his photographer. He was the photographer closest to Prince for the last fifteen years of Prince’s life. Afshin is the only photographer to shoot the legendary 3121 private parties in Los Angeles that became the most sought after invitations in Hollywood. Prince: A Private View compiles his work into a journey through Prince's extraordinary life. With many never-before-seen photos, this is the ultimate collection of – some intimate, some candid, some in concert – shots of Prince, but all are carefully directed in the artist-as-art style that we associate with him. Deep photo captions are brief, but complete stories about Prince's life at that moment – some are incisive, others are personal and even funny.

Uncovered Author House
Victoria magazine pays tribute to private spaces, special places where a joyful love of life thrives and every day offers a round of pleasures. With the help of the magazine’s experts and 85 exquisite color photos, a haven can exist right in your very own home. All it takes is some imaginative decorating and “emotional furnishings” devoted to your personal pursuits. For example, you might install a cushioned window seat for solitary reverie, keep a basket with stationery and pen at the ready, or showcase favorite collectibles that will delight your eye. Bedrooms and baths emphasize grace and light, with creamy linens, flowery coverlets, and gossamer-sheer curtains. Inspirational writings from beloved authors such as Virginia Woolf, Balzac, and Saki accompany the superb photos.

Pioneers, Passionate Ladies, and Private Eyes Gramercy
This revised and updated edition of Nesheim's underground Silicon Valley bestseller incorporates twenty-three case studies of successful start-ups, including tables of wealth showing how much money founders and investors realized from each venture. The phenomenal success of the initial public offerings (IPOs) of many new internet companies obscures the fact that fewer than six out of 1 million business plans submitted to venture capital firms will ever reach the IPO stage. Many fail, according to start-up expert John Nesheim, because the entrepreneurs did not have access to the invaluable lessons that come from studying the real-world venture experiences of successful companies. Now they do. Acclaimed by entrepreneurs the world over, this practical handbook is filled with hard-to-find information and guidance covering every key phase of a start-up, from idea to IPO: how to create a winning business plan, how to value the firm, how venture capitalists work, how they make their money, where to find alternative sources of funding, how to select a good lawyer, and how to protect intellectual property. Nesheim aims to improve the odds of success for first-time high-tech entrepreneurs, and offers an insider's perspective from firsthand experience on one of the toughest challenges they face -- convincing venture capitalists or investment banks to provide financing. This complete, classic reference tool is essential reading for first-time high-tech entrepreneurs, and entrepreneurs already involved in a start-up who want to increase their chances of success to rise to the top.

Touched by Light Taschen America Llc
Showcasing a vast range of titles, from fashion to reportage, and high-end design to counter-cultural fanzines, this collection offers an insight not only into the work of the most influential art directors, publishers and designers of the last century, but into the way that we perceive and represent ourselves and the culture in which we live; our interests, concerns, and aspirations.
