This is a list of books and reference material you'll need for your private pilot flight training. It's not an exhaustive list - there are other books that you'll also need, like the pilot operating handbook for your airplane, as well as charts and reference material specific to your own flight training .

Student Pilot Guide - Federal Aviation Administration

What: The written knowledge portion of a private or commercial pilot license test assesses a pilot's knowledge of aviation-related concepts. The practical, or checkride, portion determines whether a pilot is capable of the skills and procedures necessary for flight.

Who: The Federal Aviation Administration is responsible for certifying pilots and develops and administers all pilot license tests.
