Updated to reflect the most recent requirements for correction officer candidates, including sheriff's departments, Correction Officer Exam with 7 Practice Tests presents strategies for the different question types used on correction officer exams in jurisdictions across the country. It also contains hundreds of practice questions written in the style used on official examinations. The authors, both highly experienced retired law enforcement officers, also present an overview of correction officers' duties and requirements. New to this edition: Strategy for handling computer-based multiple-choice questions, which are becoming the norm in civil service entrance exams. Strategy for handling a new question type known as "word selection." A diagnostic test and six full-length practice exams come with answer keys, diagnostic charts, and answer explanations. All exams are similar in content to those given across the country. Probation Officer/parole Officer Exam Passbooks The Border Patrol Agent Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam. Probation Supervisor Arco The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where

discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Probation Employment Officer Career Examination

This book offers criminologists and students an evidence-based discussion of the latest trends in corrections. Over the last several decades, research has clearly shown that rehabilitation efforts can be effective at reducing recidivism among criminal offenders. However, researchers also recognize that treatment is not a "one size fits all" approach. Offenders vary by gender, age, crime type, and/or addictions, to name but a few, and these individual needs must be addressed by providers. Finally, issues such as leadership, quality of staff, and evaluation efforts affect the quality and delivery of treatment services. This book synthesizes the vast research for the student interested in correctional rehabilitation as well as for the practitioner working with offenders. While other texts have addressed issues regarding treatment in corrections, this text is unique in that it not only discusses the research on "what works" but also addresses implementation issues as practitioners move from theory to practice, as well as the importance of staff, leadership and

evaluation efforts.

Probation Officer/parole Officer Exam Scholar's Choice
Critical Thinking for Law Enforcement Exams provides law enforcement candidates the vital problem-solving skills they need to ace various exams including the Police Officer Exam, Border Patrol Exam, State Police Exam, and Probation/Parole Officer Exam. It also includes additional online instantly-scored practice questions with detailed answers and explanations.

Probation Officer National Learning Corporation

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A

strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

This is Your Passbook for Probation Officer Trainee
Routledge

There are over 80,000 people on probation in North Carolina. This book sets out the law and procedure of how probation officers and the court system respond to violations of probation with a focus on the courts' limited authority to revoke probation, after the Justice Reinvestment Act of 2011.
