What's the big idea?

That's a question students are asked all the time in papers, assessments, and standardized writing tests of every sort. Whether summarizing research sources or synopsising the plot of a two-hundred page novel, the ability to cut through extraneous details and describe the major themes and highlights of a text is key to success in school and in life. Until now, however, summarization has been difficult to teach and learn, but with Summarizing, Paraphrasing, and Retelling, you'll discover a powerful and practical way to teach these vital skills. Summarizing, Paraphrasing, and Retelling is a slim, do-it-all guide that presents everything you need for teaching kids to separate out trivial items in their reading and then identify and communicate the main ideas and crucial details. Emily Kissner breaks summarization down into smaller, more manageable skills-such as paraphrasing, writing synopses, retelling, and

restating the main-idea-illustrating what good summarization looks like and how to adjust your teaching to fit your students' needs. She offers not only methods for individual and group instruction, but also handy, reproducible resources, such as assessment checklists, forms for group work, peer-response sheets, and sample passages for students to practice with. Best of all, Kissner's approach is a student-centered alternative to more traditional skill-and-drill preparations. Supported by research and tested in classrooms, *Summarizing, Paraphrasing, and Retelling* gives you both big ideas for powerful teaching and important particulars to help you plan instruction and analyze your students' progress. What's the big idea behind teaching summarizing? Read *Summarizing, Paraphrasing, and Retelling* and find out. *Waiting Is Not Easy! (An Elephant and Piggie Book)* Harper Collins Prudy collects so many things that everyone says she has a problem,

but when a crisis convinces her that they are right, she comes up with the perfect solution. *Sylvester and the Magic Pebble* Harper Collins Wheaton, Kansas, seventh-grader Tucker MacBean loves comic books, so when his favorite comic has a contest to create a sidekick, he is hopeful that he can win, thereby fixing his struggling family. *Reading Comprehension Strategies* Psychology Press This in-depth guide takes the mystery out of complex reading passages by providing a toolkit of sketching techniques that aim to build comprehension, speed, and accuracy. Learn to identify the underlying structure of reading passages and develop methods to tackle the toughest comprehension questions. *The Stray Dog* Xlibris Corporation Daily instruction on reading strategies and skills needed to improve comprehension and raise test scores. [Bringing Down the Moon](#) Daily Reading Comprehension Provides high-interest reading passages along with exercises to help struggling readers. *A Long Walk to Water* Houghton Mifflin Harcourt A little boy is excited at the prospect of spending the night at his friend's house but worries

how he'll get along without his teddy bear. *The Scarecrow's Hat* Simon and Schuster When two bad ants desert from their colony, they experience a dangerous adventure that convinces them to return to their former safety. Grade 4 Reading Classroom Complete Press The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character

development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

**College Success** Simon and Schuster

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Almost every standardized test in verbal skills, including civil service exams, contains reading comprehension questions. Each practice consists of several passages followed by questions and answer explanations.

The Givenness of Things

Harper Collins

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In *Waiting Is Not Easy!*, Piggie has a surprise for Gerald, but he is going to have to wait for it. And Wait. And wait some more...

*LD SAT Study Guide* Kumon Pub North America Limited The spirit of our times can appear to be one of joyless urgency. As a culture we have become less interested in the exploration of the glorious mind, and more interested in creating and mastering technologies that will yield material well-being. But while cultural pessimism is always fashionable, there is still much to give us hope. In *The Givenness of Things*, the incomparable Marilynne Robinson delivers an impassioned critique of our contemporary society while arguing that reverence must be given to who we are and what we are: creatures of singular interest and value, despite our

---

errors and depredations. Robinson has plumbed the depths of the human spirit in her novels, including the National Book Critics Circle Award-winning *Lila* and the Pulitzer Prize-winning *Gilead*, and in her new essay collection she trains her incisive mind on our modern predicament and the mysteries of faith. These seventeen essays examine the ideas that have inspired and provoked one of our finest writers throughout her life. Whether she is investigating how the work of the great thinkers of the past, Calvin, Locke, Bonhoeffer--and Shakespeare--can infuse our lives, or calling attention to the rise of the self-declared elite in American religious and political life, Robinson's peerless prose and boundless humanity are on display. Exquisite and bold, *The Givenness of Things* is a necessary call for us to find wisdom and guidance in our cultural heritage, and to offer grace to one another.

Manifesto of Surrealism Simon and Schuster

Mouse is back for the holidays! A first sequel to *If You Give a Mouse a Cookie*, starring Mouse! The famous little mouse from the children's classic *If You Give a Mouse a Cookie* is back in another irresistible tale full of holiday antics.
