As for the approach

in writing your

essay, there are

two problem-

solution essay

structures you can

use: either a block

structure or a

chain structure. A

block structure

identifies and list

all the problems

first and then

presents all of the solutions

afterward. A block structure would

look like this:

Introduction. Body.

Problem 1. Problem

2. Problem 3

Essay Outline Like

every other essay,

problems and solution

essays also have an

introduction, the

main body, and

conclusion. The

introduction reflects

a general perception

of the chosen problem

and then you add more

specific details

about the problem.

Basically, you

mention your problem

in the introduction.

| Text Structure Activity

The text structure of problem and solution explains a problem to a reader, and then offers one or more solutions.

Sometimes, the text examines a problem that has already been solved. More often, the author invites the reader to contribute to the solution.

Problem and solution text is often difficult for students to recognize. Writers don't always use the exact words "problem" and "solution".

Instead, I tell students to look for words like these: -unfortunately
