Practice makes perfect in this kick-butt fractured fairy tale, illustrated by Caldecott Medal winner Dan Santat. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons—he'll make mincemeat out of that wolf! His brother learns a little jujitsu—he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch! Be sure to look for just-as-clever companion books *Ninja Red Riding Hood* and *Hensel & Gretel: Ninja Chicks!*

Designed around the real-world legal applications of reading comprehension, Manhattan Prep's LSAT Reading Comprehension is an essential tool for a surprisingly tricky part of the LSAT. Using Manhattan Prep's expert strategies, this book will train you to approach the LSAT as a law student would approach a legal text—actively and with a purpose. LSAT Reading Comprehension teaches you how to recognize the core argument and use it as a framework to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, LSAT Reading Comprehension walks you through the annotation process, discussing where and how to take notes in order to maximize your comprehension efficiently. It also looks at the types of questions on the LSAT and arms you with the skills you need to spot issues and identify correct answers. Each chapter in LSAT Reading Comprehension features drills and full practice sets—made up of real LSAT questions—to help you absorb and apply what you've learned, while numerous, in-depth solutions walk you through the process of selecting the right answer and help you to achieve mastery. Additional practice and resources are available online through the Manhattan Prep website. Used by itself or with other Manhattan Prep materials, LSAT Reading Comprehension will push you to your top score.

Math Word Problems 2nd Grade Routledge

This popular book shows students how to increase their power to analyze problems and to comprehend what they read. First, it outlines and illustrates the method that good problem solvers use in attacking complex ideas. Then, it provides practice in applying these methods to a variety of comprehension and reasoning questions. Books on the improvement of thinking processes have tended to be complicated and less than useful, but the authors of this renowned text emphasize a simple but effective approach. The "Whimbey Method" of teaching problem solving is now recognized as an invaluable means of teaching people to think. Problems are followed by their solutions, presented in easy-to-follow steps. This feature permits students to work without supervision, outside the classroom. As students work through the book they will see a steady improvement in their analytical thinking skills, and will develop confidence in their ability to solve problems--on tests; in academic courses; and in any occupations that involve analyzing, untangling, or

comprehending knotty ideas. By helping students to become better problem solvers, this book can assist students in achieving higher scores on tests commonly used for college and job selection, such as: * Scholastic Aptitude Test (SAT) * Graduate Record Examination (GRE) * ACT Work Keys * Terra Nova * Law School Admission Test (LSAT) * Wonderlic Personnel Test * United States Employment Service General Aptitude Test Battery * Civil Service Examination New in the 6th edition: A totally new chapter--"Meeting Academic and Workplace Standards: How This Book Can Help"--describes changes in the educational system in the past 20 years and shows how the techniques taught in this book relate to the new educational standards and tests. Changes throughout the book reflect current educational and social realities: the names of some characters have been changed to represent more accurately the cross-section of students attending today's schools; dates in some problems have been changed; in other problems the technology referred to has been updated.
