The Lesser Evil is a psychological horror
novel that takes place in the Buenos Aires of
the 1990s featuring exciting prose, fascinating
characters, with suspenseful and memorable
scenes. Reminiscent of Angela Carter's
Infernal Desire Machines of Doctor Hoffman, it
was a finalist for the Planeta Biblioteca del
Sur prize.

Italian Identity in the Kitchen, or, Food
and the Nation Open Road Media
Best known for directing the Impressionist
classic The Smiling Madame Beudet and
the first Surrealist film The Seashell and the
Clergyman, Germaine Dulac, feminist and
pioneer of 1920s French avant-garde
cinema, made close to thirty fiction films as
well as numerous documentaries and
newsreels. Through her filmmaking,
writing, and cine-club activism, Dulac ' s
passionate defense of the cinema as a lyrical
art and social practice had a major
influence on twentieth century film history
and theory. In Germaine Dulac: A Cinema
of Sensations, Tami Williams makes
unprecedented use of the filmmaker's
personal papers, production files, and
archival film prints to produce the first full-
length historical study and critical
biography of Dulac. Williams's analysis
explores the artistic and sociopolitical
currents that shaped Dulac's approach to
cinema while interrogating the ground
breaking techniques and strategies she used
to critique conservative notions of gender
and sexuality. Moving beyond the

director ' s work of the 1920s, Williams
examines Dulac's largely ignored 1930s
documentaries and newsreels establishing
clear links with the more experimental
impressionist and abstract works of her early
period. This vivid portrait will be of interest
to general readers, as well as to scholars of
cinema and visual culture, performance,
French history, women ' s studies, queer
cinema, in addition to studies of narrative
avant-garde, experimental, and
documentary film history and theory.

A QUESTION OF LUST Nikki
James is in San Francisco at the
request of her partner and best
friend, Jake. The wife of an old
friend is missing, and Jake intends
to find her—whatever the cost. The
authorities believe the kidnappings
to be the work of a sick mind, but
Nikki knows that the truth is
something much worse—especially
since she seems to have an
unexpected psychic link to the
killer. But as always, she is more
than willing to risk her own life to
save another ' s. For Michael Kelly,
Nikki ' s bravado is a source of
endless terror. He wants nothing
more than to make Nikki a
permanent part of his life, but he
knows that her quest is sure to get
her killed. As they chase through
the sewers and tunnels of San
Francisco and the body count
begins to rise, Michael badgers her
to stay off the case, but Nikki has
no intention of complying. She
wants him to realize that she ' s
either a full partner in his life or
she ' s out. But nothing prepares her
for the price she has to pay for her
stubbornness—the life of someone
she loves. Includes an excerpt of
the next novel in Keri Arthur ' s

PASSION WITH A BITE Private
Investigator Nikki James has a lot to

contend with. Her lover, Michael Kelly,
walked out without so much as a goodbye,
and what seemed like a simple case of
stopping a runaway teen brought her face-
to-face with another clutch of deadly
vampires. But if that seemed bad, it is
about to get a lot worse, because when
Michael returns, it is not for her, but for
the case. Wealthy men are starting to
vanish from a resort in Jackson
Hole—which is exactly where Nikki ' s
runaway teen seems to be as well.
Something nefarious is going on at the
luxury spa, but what? The last thing
Michael needs is a confrontation with
Nikki—especially when his control over his
bloodlust is still so tenuous. But posing as
a newlywed couple at the swanky resort
may be the best way for both of them to
solve their respective cases. This time,
Nikki is determined to make Michael see
that life apart is worse than death. Yet
before she can make him see the light, a
specter from Michael ' s past rises that
could destroy any hope she has of a
future with him. Because this time the
threat isn ' t physical. It ' s a matter of the
heart. Includes an excerpt of the next
novel in Keri Arthur ' s Nikki and Michael
series, Chasing the Shadows

Paul Hindemith never accepted the
complete engagement with social
issues suggested in the writings of
Brecht, but he developed many of his
ideas regarding the place of an artist
in the thirties and forties, his music

eventually gaining official disapproval. His strong opinions about musical composition make him a particularly interesting subject and this research guide will provide a complete bibliography of works to guide the scholar and student.

Justice League (2018-) #62 Yen Press LLC

The Justice League! The biggest heroes! The biggest threats! With their powers out of control and trapped on a world they do not understand, the League must band together like never before. Queen Hippolyta is forced to confront her new destiny. All this and a last page so shocking that it will have fans of Naomi screaming! Meanwhile, in our bonus story, the Justice League Dark are trapped in the Library of Babel, where they are learning the hard way that the pen is mightier than their swords. Elsewhere, Merlin sets his sights on a lost city that hides the key to his violent delights. Could this mean a violent end for all?

Bioclimatic Approach to Architectural Regionalism Storie del Mondo

Catalogues the heritage of images according to type and subject, from the ancient at the Monastery of Saint Catherine in the Sinai to those from Greece, Constantinople, and Russia. This book includes chapters such as role of icons in the Orthodox liturgy and on common iconic subjects, including the fathers and saints of the Eastern Church.

A fun, feisty romance, perfect for fans of Sophie Kinsella and Paige Toon. What girl doesn ' t dream of an amazing promotion working on the other side of the world? This once in a lifetime opportunity is presented to 28-year-old investment banker, Maddison Johnson and instantly fills her with abject fear. It isn't the New

York transfer she had set her heart on... she's going to South Korea, instead. To make things worse, her boss Mark Kim doesn't go out of his way to make it easy for her to adapt to her new environment. Plunged into a world she knows nothing about with a man she can't stand, Maddison finds herself forced to adapt and grow up quickly. Maybe in the process she will stumble over something wonderful and quite unexpected... What people are saying about YOU DRIVE ME CRAZY: 'I found myself gutted I had to put the book down and go to bed after my first stint of reading' 'Very entertaining, really interesting that the storyline revolved around working life as well as the personal'

Dante Vivo John Wiley & Sons

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority,

and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Paul Hindemith Franco Angeli

Everything your child needs to know about world religions, now in paperback From the mystery of Mesopotamia to Zen Buddhism, help your child get to the core of all the major faiths from around the world. They'll discover the attitudes, ideals, art and architecture of major religions including- Hinduism, Sikhism, Buddhism, Judaism, Christianity and Islam. Monografie Head of Zeus Ltd

By the New York Times –bestselling author of Moonglow: “ When you read these stories, it may strike you how seldom you come across really beautiful writing ” (USA Today). Cherished by readers and critics alike for such extraordinary novels as The Amazing Adventures of Kavalier & Clay, The Mysteries of Pittsburgh, and Wonder Boys, Michael Chabon is at the height of his considerable powers in this striking and bittersweet collection of short stories. An anxious young misfit does nothing to protect his best friend from the scorn of their teachers and classmates. A kleptomaniac real estate agent leads an unhappy couple on a disastrous house tour. A heartbroken grifter finds his ex-girlfriend ' s grandmother to be an easy mark—and an unexpected source of redemption. Throughout these stories, Chabon ' s characters, suffused with yearning but crippled by broken love, often find

themselves at a crossroads—and faced with sudden insight. Michael Chabon is “ Updike without the condescension,” wrote James Hynes in the Washington Post Book World, “ Cheever without the self-pity, a young American Nabokov who writes with a rueful joie de vivre. ” In this darkly funny, achingly delicate collection, he renders the compromises of adulthood and the vivid fantasies of childhood with clarity and warmth. This ebook features a biography of the author.

A Cinema of Sensations University of Illinois Press

Functional stupidity can be catastrophic. It can cause organisational collapse, financial meltdown and technical disaster. And there are countless, more everyday examples of organisations accepting the dubious, the absurd and the downright idiotic, from unsustainable management fads to the cult of leadership or an over-reliance on brand and image. And yet a dose of stupidity can be useful and produce good, short-term results: it can nurture harmony, encourage people to get on with the job and drive success. This is the stupidity paradox. The Stupidity Paradox tackles head-on the pros and cons of functional stupidity. You'll discover what makes a workplace mindless, why being stupid might be a good thing in the short term but a disaster in the longer term, and how to make your workplace a little less stupid by challenging thoughtless conformity. It shows how harmony and action in the workplace can be balanced with a culture of questioning and challenge. The book is a wake-up call for smart organisations and smarter people. It encourages us to use our intelligence fully for the sake of personal satisfaction, organisational success and the flourishing of society as a whole.

Il cioccolato DK Publishing (Dorling Kindersley)

THIS TRANSLATION makes available for the first time to English-speaking readers Petrarch's earliest and perhaps most important collection of prose letters. They were written for the most part between 1325 and 1366, and were organized into the present collection of twenty-four books between 1345 and 1366. THE

COLLECTION represents a portrait of the artist as a young man seen through the eyes of the mature artist. Whether in the writing of poetry, or being crowned poet laureate, or in confessing his faults, describing the dissolution of the kingdom of Naples, summoning up the grandeur of ancient Rome, or in writing to pope or emperor, Petrarch was always the consummate artist, deeply concerned with creating a desired effect by means of a dignified gracefulness, and always conscious that his private life and thoughts could be the object of high art and public interest. AS EARLY AS 1436 Leonardo Bruni wrote in his Life of Petrarch: "Petrarch was the first man to have had a sufficiently fine mind to recognize the gracefulness of the lost ancient style and to bring it back to life." It was indeed the very style or manner in which Petrarch consciously sought to create the impression of continuity with the past that was responsible for the enormous impact he made on subsequent generations. THIS COMPLETE TRANSLATION by Aldo S. Bernardo has long been out of print and is reproduced here in its entirety in three volumes. Vol. 1, Books I-VIII. 472 pp. Introduction, notes, bibliography.
