The Human Resource Professional ’ s Guide to Change Management McGraw Hill Professional

The ability to help an organization effectively deal with change is a key competency that all human resource (HR) professionals must possess. However, many people in the HR function have not received any formal training or instruction on how to fulfill this important role. This book provides HR professionals with key concepts and practical techniques to successfully launch, support, and sustain change management initiatives within their organizations. Pragmatic tools and explanations will illuminate critical change management competencies and processes, thereby enabling HR professionals to take on strategic and active roles. As well, understanding of one ’ s own reactions to change will also be explored to assist HR professionals to effectively manage and guide change. Questions posed at the end of each chapter allow for personal reflection and growth, thereby providing further development of skills relating to change management. This text is an excellent resource for HR students, those new to practicing HR and seasoned HR professionals alike.

2018 Exams McGraw Hill Professional

Showcase the HR leadership recognition you deserve with the Senior Professional in Human Resources® (SPHR®) from HRCI®. The SPHR demonstrates your mastery of the strategic and policy-making aspects of HR management as practiced in the U.S. The credential is designed for big-picture thinkers responsible for planning rather than implementing HR policy. Organizations seek out SPHR professionals for their proven accountability for HR department goals, for breadth and depth of knowledge in all HR disciplines, and for understanding business issues beyond the HR function. Preparing for the Senior Professional in Human Resources (SPHR) exam to become an SPHR Certified by (HRCI)? Here we have brought Exam Questions for you so that you can prepare well for this SPHR exam. Unlike other online simulation practice tests, you get an eBook version that is easy to read & remember these questions. You can simply rely on these questions for successfully certifying this exam.

400+ Exam Prep Questions for SPHR by (HRCI) Latest Version with Explanations John Wiley & Sons

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Professional certification has become a very popular topic and a significant number of individuals are making it a priority. Some people are torn on whether or not to obtain a certification to bolster their career. Others see the advantage of diversifying their professional portfolio and pursuing

popular certifications in the areas of Project Management, Information Technology, Quality, or Human Resources. The Basics of Achieving Professional Certification: Enhancing Your Credentials provides clear-cut guidance on how to select a certification that is right for you and how you can continue to build your credentials in support of personal and professional goals. This easy-to-use guide can help anyone looking to achieve professional certification make informed decisions about the many options available. It can also help avoid the pitfalls of making the wrong choice as a result of being incorrectly informed. Examining the range of professional certifications offered by associations and organizations, it explains how to select the right professional certification and outlines best practices for completing the certification process. The book includes a CD that represents more than a year of development between resources in the U.S. and Europe. Packed with tools, it supplies permanent access to a suite of helpful training and development software, including: Library management system to track training material, books, and related items (created in MS Access) Learning management system to ensure training compliance (created in MS Access) A number of project management resources, including a comprehensive exam preparation program Royalty free multimedia resources to add pizzazz to your e-learning programs Forms, templates, and checklists to support training administration Tools to help evaluate training programs Software to make training and certification more interactive and enjoyable Winner of a Cleland Publication Award, Willis H. Thomas, PhD, PMP, CPT, not only outlines the requirements for obtaining professional certification, but also provides a framework for training and development that supports the range of professional certifications. The book includes helpful test-taking tips for oral and written exams and also describes how to find supporting resources for study group participation. Filled with illustrative examples, the text includes testimonials from professional associations on how professional certification has benefited their members—making it helpful to professional associations as a means to encourage association membership and participation. *Aphr Associate Prof Hum Resources Cert Aio Egd (Book)* Pearson Education
