Professional No-Limit Hold `Em was a widely anticipated book. The literature on

NL holdem is very sparse, which is somewhat odd given that it is currently the most widely played form of casino poker. Over the last couple of years, 2+2 publishing has put a number of books and series in the pipeline to try to fill that gap.

No-limit hold 'em was once only a tournament
game. Cash games were rarely spread in
conventional poker rooms, let alone the Internet.
All of that changed when the game exploded on
television. No-limit cash games started sprouting up
at casinos of all types. No-limit hold 'em is now
the most popular form of poker.

Professional No Limit Hold Em is absolutely
worth the price of admission. If you are coming
from a back ground in limit or tournament play
this book will show you what things to think
about throughout a hand. It was very
enlightening to think through hands I've played
in the past in light of the information that I've
learned in this book.

No-limit hold em is now the most popular form of
poker. Tournaments pushed it to the forefront, and
a great deal of money can also be won here despite
that fact, many players feel frustrated with their
results. They win some money, only to lose it all on
one botched hand. This book teaches you how to
play and think like a professional.

hold 'em. The no-limit variation has been used to
determine poker's World Champion since the very
first tournament back in 1970. Nowadays there are
about as many no-limit hold 'em tournaments as
all other kinds combined, and every major
tournament has a high-stake no-limit event as its
culminating contest. On television, you can watch
no-limit hold 'em tournaments at least three days
a week (not counting reruns).
