Dark Romance

Alexandra James gave up her spring break for an offer she couldn't refuse—a week-long job that would earn her enough money to buy her way out of a broken heart. But if she thought her new boss would let her off easy because he's her father's best friend, she couldn't have been more wrong. Dean Brittany demands perfection from his employees, but none more so than his new temp, since correcting her mistakes seems to fuel his unexpected attraction to her. Unfortunately for him, eighteen-year-old Alexandra is strictly off limits. *Strictly Off Limits* is a forbidden romance novella originally published in the *Forbidden Fruit Anthology*, Volume 1 (no longer available). It's a quick read at 21,000 words.

My instincts warned me that Alex Volkov is a dangerous man. My mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk, and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and Kate's story.

Catwin, plucked from her life at the edge of the Kingdom, is thrust abruptly into the world of the Court when she is chosen by the Duke of Voltur to be a Shadow—spy, shield, and blade—to his niece, the Lady Miriel DeVere. The Duke's ruthlessness is legendary, and he will stop at nothing to become the power behind the throne, using Miriel as a pawn to catch Garad's heart. My name is Matthew Weston. Don't call me anything else, because I won't respond. And if you think you can get away with whimpering 'Matt' while I have you tied to the bed, about to devour you, it'll end up being your loss. Men like me don't talk about feelings. We just don't. What men like me do is pound. I pound the asphalt with my running shoes on morning runs. I pound a punching bag in the gym until my knuckles bleed. And when I need a release, I find a beautiful woman sprawled out on her bed, eagerly waiting for my cock, and pound her into oblivion. Yeah, that's me. I don't have feelings, and I don't do love. At least I didn't, until the night Ella walked into my office looking like a disgusting junkie to interview for a position for The Onyx Club. She was like no one I'd ever met before. She was timid, reserved, and quite plain with her mousy brown hair and dirty clothes. Ella also had a dark and haunted gleam in her eye. A secret, a past she was desperate to conceal. And when she called me 'Matt' it didn't seem to bother me. She came into my life and turned it upside down. The only question is, can I screw her out of my system, or will my filthy desire for her keep her by my side?
