The first step to creating an M&E plan is to identify the program goals and objectives. If the program already has a logic model or theory of change, then

the program goals are most likely already defined. However, if not, the M&E plan is a great place to start.

*How to Write a
Progress Report
(Sample Template) -
Weekdone*
Progress reports are
one of the best
management tools you
can use to kickstart
your company's
productivity. A great
way to automate it is
to use a special

software tool like
Weekdone. The
information in these
reports help employees
track their progress
while observing both
company goals and their
personal objectives..
However, not many are
familiar with the
benefits of progress
reporting.
