The end of term tests  
were developed as part of

Pearson's KS3 Maths

Progress course, and are

designed to give you an

idea of: how students are

making progress; where

they might need more

support. The markbook is

part of our Pearson

Progression Services,

which gives you a way to

track progress without

levels. While both the

markbook and the tests

can give you an overview

of how students are

engaging with Maths,

they shouldn't be used to

predict future grades.
