Tom Strong Vertigo

The conclusion of Promethea's sprawling tour of the higher realms of the spirit is collected in this hardcover reprinting PROMETHEA #19-25!

Promethea Book Three Vertigo

From New York Times bestselling author Alan Moore—one of the most influential writers in the history of comics—"a wonderful collection, brilliant and often moving" (Neil Gaiman) which takes us to the fantastical underside of reality. In his first-ever short story collection, which spans forty years of work, Alan Moore presents a series of wildly different and equally unforgettable characters who discover—and in some cases even make and unmake—the various uncharted parts of existence. In "A Hypothetical Lizard," two concubines in a brothel of fantastical specialists fall in love with tragic ramifications. In "Not Even Legend," a

paranormal study group is infiltrated by one of the otherworldly beings they seek to investigate. In "Illuminations," a nostalgic older man decides to visit a seaside resort from his youth and finds the past all too close at hand. And in the monumental novella "What We Can Know About Thunderman," which charts the surreal and Kafkaesque history of the comics industry's major players over the last seventy-five years, Moore reveals the dark, beating heart of the superhero business. From ghosts and otherworldly creatures to theoretical Boltzmann brains fashioning the universe at the big bang, *Illuminations* is exactly that—a series of bright, startling tales from a contemporary legend that reveal the full power of imagination and magic.

Luthor and the Gotham City Police Department. Collects SWAMP THING #51-56.

V for Vendetta (New Edition)
DC

Comics legend Alan Moore, the writer of WATCHMEN and V FOR VENDETTA, introduces readers to the foremost science hero Tom Strong in this deluxe hardcover edition of the popular series illustrated by Chris Sprouse. His remarkable exploits over a nearly century-long career feature an amazing supporting cast of characters that include his wife Dhalua (the daughter of

a mighty chieftain), his daughter Tesla, the enhanced ape King Solomon and his robotic valet known as Pneuman. Tom finds himself battling in different times, worlds, and realms and faces off against an eclectic group of enemies such as the ruthless Paul Saveen, the mechanized Az-techs, the prehuman monster Pangean and the Nazi super-woman Ingrid Weiss.

V for Vendetta Book & Mask
Set Vertigo

Eclectic British author Alan Moore (b. 1953) is one of the

most acclaimed and controversial comics writers to emerge since the late 1970s. He has produced a large number of well-regarded comic books and graphic novels while also making occasional forays into music, poetry, performance, and prose. In *Alan Moore: Comics as Performance, Fiction as Scalpel*, Annalisa Di Liddo argues that Moore employs the comics form to dissect the literary canon, the tradition of comics, contemporary society, and our understanding of history. The book considers

Moore's narrative strategies and pinpoints the main thematic threads in his works: the subversion of genre and pulp fiction, the interrogation of superhero tropes, the manipulation of space and time, the uses of magic and mythology, the instability of gender and ethnic identity, and the accumulation of imagery to create satire that comments on politics and art history. Examining Moore's use of comics to scrutinize contemporary culture, Di Liddo analyzes his best-known works-- Swamp Thing, V for Vendetta, Watchmen, From Hell, Promethea, and Lost Girls . The study also highlights Moore's lesser-known output, such as Halo Jones, Skizz, and Big Numbers, and his prose novel Voice of the Fire. Alan Moore: Comics as Performance, Fiction as Scalpel reveals Moore to be one of the most significant and distinctly postmodern comics creators of the last quarter-century. Alan Moore Univ. Press of Mississippi Featuring the first half of a cosmic road trip, this volume

finds Promethea and Barbara traveling an unlikely path. Their wanderings take them through the many realms of Heaven and Hell, visiting manifestations of great visions and visionaries. Meanwhile, back on Earth, Stacia is the acting Promethea ã protecting and serving the people of New York while Promethea is away. Is she up to the task? Collects issues #13-18

Promethea DC

The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this "magnificent, sprawling

cosmic epic" (Guardian) by Alan Moore—the genre-defying, "groundbreaking, hairy genius of our generation" (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-

Einstein, and insist upon their slum as Blake's eternal holy city in "Moore's apotheosis, a fourth-dimensional symphony" (Entertainment Weekly). This "brilliant . . . monumentally ambitious" tale from the gutter is "a massive literary achievement for our time—and maybe for all times simultaneously" (Washington Post).

Top Ten Dc Comics

A powerful story about loss of freedom and individuality, V FOR VENDETTA takes place in a totalitarian England following a devastating war that changed the face of the planet. In a world without political freedom, personal freedom and precious little faith in anything, comes a mysterious man in a white

porcelain mask who fights political oppressors through terrorism and seemingly absurd acts in this gripping tale of the blurred lines between ideological good and evil.
