Joe Biden

HarperCollins

As if starting high school weren't bad enough, Reyna Fey has to do so at a new school without her best friends. Reyna's plan is to keep her head down, help her

father recover from the car accident that almost took his life, and maybe even make some friends. And then Olive Barton notices her. Olive is not exactly the kind of new friend Reyna has in mind. The boys make fun of her, the girls want to fight her, and Olive seems to welcome the challenge. There's something about Olive that Reyna can't help but like.

But when Reyna learns Olive's secret, she must decide whether it's better to be good friends with an outcast or fake friends with the popular kids. . . .before she loses Olive forever.

Notable Selection
A vivid and

inspiring account of the "bromance" between Barack Obama and Joe Biden. The extraordinary partnership of Barack Obama and Joe Biden is unique in American history. The two men, their characters and styles sharply contrasting, formed a dynamic working relationship that evolved into a profound friendship. Their affinity was not predestined. Obama and Biden began wary of each other: Obama an impatient freshman disdainful of the

Senate's plodding ways; Biden a veteran of the chamber and proud of its traditions. Gradually they came to respect each other's values and strengths and rode into the White House together in 2008. Side-by-side through two tension-filled terms, they shared the day-to-day joys and struggles of leading the most powerful nation on earth. They accommodated each other's quirks: Biden's famous miscues kept coming, and Obama overlooked them

knowing they were insignificant except as media fodder. With his expertise in foreign affairs and legislative matters, Biden took on an unprecedented role as chief adviser to Obama, reshaping the vice presidency. Together Obama and Biden guided Americans through a range of historic moments: a devastating economic crisis, racial confrontations, war in Afghanistan, and the dawn of same-sex marriage nationwide. They supported each other through highs and lows:

Obama provided a welcome shoulder during the illness and death of Biden's son Beau. As many Americans turn a nostalgic eye toward the Obama presidency, Barack and Joe offers a new look at this administration, its absence of scandal, dedication to truth, and respect for the media. This is the first book to tell the full story of this historic relationship and its substantial impact on the Obama presidency and its legacy.

I Can Make This Promise
Crown

The bestselling author and creator of the hit Netflix drama *The Stranger* reveals the deadly consequences that can be born of the best intentions. As the school year winds down, Myron Bolitar is determined to help keep his friends' children safe from the dangers of drinking and driving.

So he makes two neighborhood girls promise him that if they are ever in a bind but are afraid to call their parents, they must call him. Several nights later, the call comes at two a.m. The next day, a girl is missing and Myron is the last person who saw her. Racing to find her

before she's gone forever, Myron must outrun his own troubled past and decide once and for all who he is and what he will stand up for...

Lily's Promise

Simon and Schuster
In her debut middle grade novel—inspired by her family's history—Christine Day tells the story of a girl who uncovers her family's secrets—and finds her own Native American identity. All her life, Edie has known that her

mom was adopted by a white couple. So, no matter how curious she might be about her Native American heritage, Edie is sure her family doesn't have any answers. Until the day when she and her friends discover a box hidden in the attic—a box full of letters signed "Love, Edith," and photos of a woman who looks just like her. Suddenly, Edie has a flurry of new questions about this woman who shares her name. Could she belong to the Native family that Edie never knew about? But if her mom and dad have kept this secret from her all her life, how can she

trust them to tell her the truth now?

Hope Never Dies

Trump, both in and out of the debates; and his ultimate election as the 46th president of the United States Raised in the working-class towns of Scranton, Pennsylvania, and Wilmington, Delaware, and with lackluster grades in school and no particular goals, Joe Biden shocked the nation in 1972 when he became one of the youngest elected senators in U.S. history.

Over the course of more than four decades, he carved a legacy for himself as one of the most respected legislators in the country before going on to serve as the vice president under Barack Obama and ultimately taking up the office of president in his own right. Yet Biden ' s political success has been matched by personal tragedy and countless challenges.

Within two months of being elected in 1972, Biden lost his wife, Neilia, and his young daughter in a tragic accident—a loss that brought him to the nadir of despair and shook his resolve to stay in politics. He suffered two brain aneurysms and career-threatening gaffes and miscues. In 2015, he lost his eldest son, Beau, to brain cancer. These difficult trials left him a more

compassionate man, particularly suited for “the battle for America’s soul” in the midst of the nationwide divisiveness brought to a head by President Trump. Based on exhaustive research by one of Washington’s most prolific journalists, including numerous exclusive interviews with Biden’s confidants and family members, as

well as President Obama and the former vice president himself, Joe Biden goes beyond conventional biography to track the forces that have shaped a man whose plainspoken style and inspiring life story have resonated with millions of Americans and whose work has shaped modern American life. Promises to Keep MIT Press Instead of

soaking up the SoCal sunshine while housesitting for my aunt, I’m dealing with a Pomeranian who thinks she’s a Pitbull, two half-sisters who would happily prune me off the family tree, and him. Vaughn Shaughnessy. Hot model about to go nuclear, dangerously sexy flirt whose perceptive green eyes promise he’s more than just a pretty face. He’s the kind of walking, talking temptation I should avoid, but that’s impossible

because he also happens to be my extremely lickable—I mean likeable—neighbor. He 's turning me into a hot mess. Thing is, I can 't handle more messes in my life. I 'm still trying to come to terms with the monumental ones in my past, and getting involved with Vaughn—even for temporary summer fun—is guaranteed to get messy. I don 't dare risk it, but I 'm not sure I can resist...

congenital jollity and irrepressible candor.” - Vanity Fair A deeply moving memoir about the year that would forever change both a family and a country. In November 2014, thirteen members of the Biden family gathered on Nantucket for Thanksgiving, a tradition they had been celebrating for the past forty years; it was the one constant in what had become a hectic, scrutinized, and overscheduled life. The Thanksgiving holiday was a much-needed respite, a time to connect, a time to reflect on what the year had

brought, and what the future might hold. But this year felt different from all those that had come before. Joe and Jill Biden's eldest son, Beau, had been diagnosed with a malignant brain tumor fifteen months earlier, and his survival was uncertain. "Promise me, Dad," Beau had told his father. "Give me your word that no matter what happens, you're going to be all right." Joe Biden gave him his word. Promise Me, Dad chronicles the year that followed, which would be the most momentous and challenging in Joe

Biden's extraordinary life and career. Vice President Biden traveled more than a hundred thousand miles that year, across the world, dealing with crises in Ukraine, Central America, and Iraq. When a call came from New York, or Capitol Hill, or Kyiv, or Baghdad—“Joe, I need your help”—he responded. For twelve months, while Beau fought for and then lost his life, the vice president balanced the twin imperatives of living up to his responsibilities to his country and his responsibilities to his family. And

never far away was the insistent and urgent question of whether he should seek the presidency in 2016. The year brought real triumph and accomplishment, and wrenching pain. But even in the worst times, Biden was able to lean on the strength of his long, deep bonds with his family, on his faith, and on his deepening friendship with the man in the Oval Office, Barack Obama. Writing with poignancy and immediacy, Joe Biden allows readers to feel the urgency of each moment, to experience the

days when he felt unable to move forward as well as the days when he felt like he could not afford to stop. This is a book written not just by the vice president, but by a father, grandfather, friend, and husband. *Promise Me, Dad* is a story of how family and friendships sustain us and how hope, purpose, and action can guide us through the pain of personal loss into the light of a new future. [Promise Me, Dad](#) Grand Central Publishing **INSTANT NEW YORK TIMES BESTSELLER** A memoir from

Valerie Biden Owens, Joe Biden's younger sister, trusted confidante and lifelong campaign manager. Valerie, one of the first female campaign managers in United States history, writes of the role of family, faith, and fate in shaping her life, and the power of empathy and kindness in the face of turmoil and division. *Growing Up Biden* details Valerie's decades-long professional career in politics, and the central role she played in her brother's life as an insightful adviser, an ever-loyal advocate and best friend. This memoir, full of

candor and warmth, brings readers into the Biden home and shares stories from growing up in Delaware as the only daughter of the close-knit Irish Catholic family. Valerie writes in a compelling, relatable way about the challenges she faced breaking through gender barriers, the elusive nature of confidence, and navigating professional responsibilities while raising children. Promise Me, Dad Blurb Promise Me, Dad by Joe Biden: Conversation

Starters Promise Me, Dad is a new memoir from former Vice President of the United States Joe Biden. Promise Me, Dad was inspired by the death of Joe Biden's oldest son, Beau. Beau was diagnosed with a glioblastoma in 2013. On Thanksgiving of 2014, Beau Biden made his father promise that no matter what happened to him that he would go on and be okay. The following year would prove to be one of the most challenging

years for Joe Biden. His son lost his life in May of 2015. Joe never showed his grief to the public, though, and managed to balance his work responsibilities with his personal ones. Through it all, Joe Biden was able to find comfort in his family and the man who had become his close friend, Barack Obama. Promise Me, Dad has been called raw and honest by The New York Times. They go on to say that this book will be comforting to

those who have lost someone close to them. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. WBCN and the American Revolution Hachette Books How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that

changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award – winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone “Listener Line” fielded questions on any subject, day and night. From 1968 to Watergate, Boston’s WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A

cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Commo nInterwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the “ news dissector ” Danny Schechter, Marsha

Steinberg, and Mitchell Kertzman. Lichtenstein ’ s documentary WBCN and the American Revolution is available as a DVD sold separately. The Promise of a Pencil Paige Weaver LLC The ultimate guide to President Joe Biden, filled with all the fun, all the inspiration, and none of the malarkey. The aviators. The Amtrak. The bromance with Barack Obama. Few politicians are as iconic, or as beloved, as Joe Biden. Now, in The Book of

Joe, Biden fans and political junkies alike have the ultimate look at America ’ s 46th president. Covering the key chapters in Biden ’ s life and career—and filled with classic Bidenisms, including “ That ’ s a bunch of malarkey ” and “ I may be Irish, but I ’ m not stupid ” —this entertaining blend of biography, advice, and muscle cars explores the moments that forged Joe Biden, and what they can teach us today. But along with this “ Wisdom of Joe, ” the book also reveals the inspirational story of a man whose life has been

shaped by his father ' s advice: Get back up. Time after time, Biden has bounced back from both personal heartbreaks and professional disappointments, and just like Joe, sometimes we all have to dust ourselves off and fight back. Packed with lessons we need now more than ever, The Book of Joe is both a celebration of a revered political figure and a testament to the power of a life filled with integrity, perseverance, and plenty of ice cream.

Analysis of Joe Biden's Promise Me,

Dad by Milkyway Media Flatiron Books Biden family Thanksgiving -- Have a purpose -- Solace -- Trust -- Keeping busy -- It has to be you -- Calculated risks -- Home base -- You have to tell them the truth -- Can you stay? -- Run, Joe, run -- Epilogue Summary of Joe Biden ' s Promise Me, Dad by Milkyway Media Bloomsbury Publishing As a divorced single father, I

live by three rules: 1. Make sure every day my daughter, Paisley, knows she's number one in my life. No. Matter. What. 2. Keep contact with my cheating ex-wife to a minimum. 3. Turn Maxwell Wineries into a legacy that keeps Paisley set for life. When I hire Lexi to look after my daughter, I realize I need another rule: don't pursue Paisley's nanny. But even if I had that rule it wouldn't matter. Because I'm breaking it already. Promise Me Willow Winters Publishing LLC " A brave, powerful memoir "

(People) that will change the way we look at identity and equality in this country, from the activist elected as the first openly transgender state senator in U.S. history “The energy and vigor Sarah has brought to the fight for equality is ever present in this book.” —Vice President Kamala Harris “If you’re living your own internal struggle, this book can help you find a way to live authentically, fully, and freely. . . Let it show that we are all created equal and entitled to be treated with dignity and respect.” —President Joe Biden, from the foreword

Before she became the first transgender person to speak at a national political convention in 2016 at the age of twenty-six, Sarah McBride struggled with the decision to come out—not just to her family but to the students of American University, where she was serving as student body president. She’d reknown she was a girl from her earliest memories, but it wasn’t until the Facebook post announcing her truth went viral that she realized just how much impact her story could have on the country. Four years later, McBride was one

of the nation’s most prominent transgender activists, walking the halls of the White House, advocating inclusive legislation, and addressing the country in the midst of a heated presidential election. She had also found her first love and future husband, Andy, a trans man and fellow activist, who complemented her in every way . . . until cancer tragically intervened. Informative, heartbreaking, and profoundly empowering, *Tomorrow Will Be Different* is McBride’s story of love and loss

and a powerful entry point into the LGBTQ community ' s battle for equal rights and what it means to be openly transgender. From issues like bathroom access to health care to gender in America, McBride weaves the important political and cultural milestones into a personal journey that will open hearts and change minds. As McBride urges: " We must never be a country that says there ' s only one way to love, only one way to look, and only one way to live. " The fight for equality and freedom has only just begun.
