I'm not who they think I am. A
docile girl who meekly obeys
her stepmother and stepsisters.
Some kind of sick angel who
cheerfully bears their
mistreatment. That's what I
WANT them to think. Because
then they won't suspect what
I'm really up to. The ball, the
prince - it's all part of my plan
to come out on top. Stepmother
and her demented daughters
will pay for every floor I have
scoured, every sneer I have
borne. They don't know about
the white magic, how I use it to

enhance myself. They can't see
that my heart is black as
midnight, rotten as a poisoned
apple. They're about to find out.

deserved a break.

After raising an army of the dead to protect those she loved, Cressa had hoped she could spend a little time away from the scrutiny of being a Magic User and steal a few moments alone with her phoenix, Noah. Losing her mother had been hard enough, but now her brother keeps casting

'The world, without rain, is drying up. Rivers are a

trickle and we see the shrivelling of the species far from its sources and headed lemming-like for the sea. Time has burst its dams and seeps inside the race-structure with bizarre results A strange and rather wonderful book full of haunting landscapes, phantasmagoria and disaster that clangs on the mind. An impressive novel at any level. Its obscurities and surrealist flourishes only heighten the dreamlike atmosphere.'
