*Sacred Wrath* University of Arizona Press Under the Sabers is a groundbreaking narrative detailing the complex personal challenges Army wives face, presenting a provocative new look at Army life. Tanya Biank goes beyond the sound bites and photo ops of military life and shows what it is really like to be an Army wife—from hauling furniture off the rental truck by yourself at a new duty station when your husband is in the field, to comforting your son who wants his dad home from Afghanistan for his fifth birthday—she takes readers into the hearts and homes of today's military wives. In the summer of 2002, Army wives were in the headlines after Biank, a military reporter for the Fayetteville Observer, made international news when she broke the story about four Army wives who were brutally murdered by their husbands in the span of six weeks at Fort Bragg, an Army post that is home to the Green Berets, Airborne paratroopers, and Delta Force commandos. By that autumn, Biank, an Army

brat herself, realized the still untold story of Army wives lay in the ashes of that tragic and sensationalized summer. She knew the truth—wives were the backbone of the Army. They were strong—not helpless—and deserved more than the sugarcoating that often accompanied their stories in the media. Under the Sabers tells the story of four typical Army wives, who, in a flash, find themselves neck-deep in extraordinary circumstances that ultimately force them to redefine who they are as women and Army wives. In this fascinating and meticulously researched account, Biank takes the reader past the Army's gates, where everyone has a role to play, rules are followed, discipline is expected, perfection praised, and perception often overrides reality. Biank explores what happens when real life collides with Army convention. Biank describes what it means to be a wife and mother in a subculture that is in a constant state of readiness for war. In this hard-hitting and powerful book, Biank takes a close look at the other woman—the Army itself—and its impact on wives, marriages, and home life. This story of strength and perseverance is an eye-opener for those who have never experienced military life and an anthem to those women who each day live the "unwritten code." Two decades ago when a magical war nearly destroyed all societies, those with supernatural gifts emerged from the shadows to help save the humans. Yet despite their contributions, the Magic Users are still treated like second-class citizens, being forced to register like criminals and monitored by traitors to their own kind. As a necromancer hiding her talents, Cressa struggles to raise enough money to free her mother from the Reformatory, a place far worse than prison. With a brother who's working against her and graduation on the line, Cressa finds it difficult to follow the laws of her world. And when the alluring Noah enters her life with an opportunity to take back what is hers, she can't resist the temptation to break all of the rules. Even her own. But Noah's intentions are not clear, and his own mysterious background lands Cressa in the middle of a supernatural battle she hadn't bargained for. He has plans of his own, and whether or not Cressa fits into them, is a question she must answer alone. Preferably before her heart makes that decision for her. [Waterfall Candlewick Press](#) Life as a mermaid can be suffocating. Eviana Dumahl has returned

home as a clan leader, an orphan, and a heartbroken teenage girl. Her parents are dead and her boyfriend, Brendan, has decided that he needs some time away. While battling her inner turmoil, Eviana is forced into the war that Lucian Sutherland has incited amongst her own kind. With the help of Kain, her friend and formally betrothed, the two work together to prove that they deserve their birthrights as young merfolk leaders. When the Council requests a demonstration of Eviana's mermaid powers, she finds herself with an opportunity to win back Brendan's heart. But her orders to train with a repulsive merman and the presence of an attractive new suitor challenges Eviana to embrace her leadership and resist temptation. Lucian is after her, and no one seems to understand why. Loyalties are tested as the casualties increase, showing Eviana that sometimes it is impossible to delineate between friends and enemies.

Revised edition. Written for mature audiences and contains kinky, graphic sexual encounters & profanity, bondage & discipline, domination and submission, loads of steamy verbosity, and an alpha male that'll irk you, irritate you, then finally make you quiver, laugh and swoon. A humorous & touching BDSM romance. Tucker wants Lilliana's land and her panties in his trophy case, and more to the point - her submission. She wants nothing to do with his BS, but it's his domination that she can't resist... When the brutally honest and arrogant real estate mogul who is used to getting his way in all things meets the thirty-something year old opinionated and

guarded dental hygienist, their chemistry and physical attraction to one another is undeniable. Realizing that Lilliana has inherited a large tract of land and is sitting on a real estate goldmine, Tucker sets his sights on trying to obtain her acreage at any cost - even if it means deceiving and buying his way into her heart. But Lilliana has no interest in falling in love or being pursued by a certain attractive yet overly-confident alpha male interested in her property and she can't be bought. Lilliana's quick wit and no BS attitude throw the domineering Tucker into a tailspin. But she has a way of bringing out his humor and his hidden soft side. Tucker on the other hand knows just how to bring out her submissiveness. Just when things are heating up and he starts to fall for her, she discovers where his true motivations lie, tearing her heart in two and forcing her to seek sweet revenge the only way she knows how - by giving in to his deepest fantasy and toying with his emotions.

Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From bachelorette party hell, porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong?

Before Darius, I hadn't known so many feelings and emotions even existed, much less that I could ever experience them. I refuse to believe that he has just disappeared into a void. If the vital force of his being had been extinguished from the world, I'd feel it to my bones. I'd know if Darius was no longer alive. So I'm finding the one person powerful enough—and dangerous enough—to get me answers. Sometimes following your heart can end up destroying the ones you love. When seventeen-year-old Eviana Dumahl is faced with the responsibility of an arranged marriage and clan leadership, she is forced to choose between the life required of a mermaid and one of a teenage girl simply infatuated with the wrong guy. Kain, her devoted fiancé, would make a wonderful husband except that she's been in love with Brendan, a shape-shifting selkie, ever since they were kids. Choosing to abandon her family, her clan, and her life with Kain will have dire consequences far beyond anything she

could have imagined. A war is brewing amongst the clans and Eviana unwittingly becomes a pawn in the intricate schemes of a twisted mastermind. With Brendan's life on the line, she has no choice but to involve those she once considered friends. Amidst encountering senseless tragedies and immense loss, Eviana discovers that she is more valuable as a clan leader than anyone ever suspected. Her survival is not only dependent upon the loyalty of her friends, but also on her acceptance of a life she so adamantly tried to escape. Promises is the first book of The Syrenka Series trilogy following Eviana and her friends through the perils of growing up in a discrete world that inherently threatens human society.

Religion is a subject often overlooked or ignored by public historians. Whether they are worried about inadvertent proselytizing or fearful of contributing to America's ongoing culture wars, many heritage professionals steer clear of discussing religion's formative role in the past when they build collections, mount exhibits, and develop educational programming. Yet religious communities have long been active contributors to the nation's commemorative landscape. Exhibiting Evangelicalism provides the first account of the growth and development of historical museums created by white evangelical Christians in the United States over the twentieth and twenty-first centuries. Exploring the histories of the Museum of the Bible, the Billy Graham Center Museum, the Billy Sunday Home, and Park Street Church, Devin C. Manzullo-Thomas illustrates how these sites enabled religious leaders to develop a coherent identity for their fractious religious movement and to claim the centrality of evangelicalism to American history. In their zeal to craft a particular vision of the national past, evangelicals engaged with a variety of public history practices and techniques that made them major
