CommBank Property - Apps on Google Play

An example would be if someone gets to a new property and they want to roughly stake out the corners. You can get the property surveyed, and this would be necessary if you plan to build on it. If the property is more of a recreational or occasional use piece, you can probably get away with using an application on your smartphone or a handheld GPS.

7 Best TV guide apps for Android | Android apps for me ...

Estimated market price is an estimate of a property 's potential market price based on external property data and CommBank 's own data. It is a guide only and does not take into account all factors that may affect a property 's value. It is not a Bank valuation for credit assessment purposes. Repayments are provided as a guide only.
